Strategic Partnership Announcement

December 2, 2020

Disclosures

This presentation and the accompanying oral presentation include forward-looking statements within the meaning of the federal securities laws. These statements relate to, among other things, RingCentral's future financial and operating performance, RingCentral's plans to partner with Vodafone Business to offer a co-branded cloud-based Unified Communications as a Service (UCaaS) solution and also offer Contact Center as a Service (CCaaS), the anticipated benefits of and activity under RingCentral's partnership with Vodafone Business, including the ability to create a long-term growth opportunities for RingCentral.

These forward-looking statements are subject to risks and uncertainties that may cause actual results to differ materially, including risks related to the parties' ability to successfully satisfy closing conditions and perform their obligations under the commercial arrangement, the parties ability to successfully develop and execute the envisioned jointly developed programs, technology and automation, the ability to successfully transition customers to RingCentral's UCaaS and/or CCaaS solution, as well as those risks and uncertainties included under the captions "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations," in RingCentral's Form 10-Q for the quarter ended September 30, 2020, filed with the Securities and Exchange Commission; and in other filings RingCentral makes with the Securities and Exchange Commission from time to time.

All forward-looking statements in this presentation are based on information available to RingCentral as of the date hereof, and we undertake no obligation to update these forward-looking statements, to review or confirm analysts' expectations, or to provide interim reports or updates.

In this presentation, unless otherwise indicated, references to financial measures are non-GAAP. For a reconciliation of historical certain non-GAAP measures, please visit our investor relations website at ir.ringcentral.com to access our earnings release, earnings presentation, and our periodic SEC reports
