

NEWS RELEASE

Lucidea's Archival CMS ArchivEra at Hybrid SAA 2022

8/25/2022

VANCOUVER, British Columbia--(BUSINESS WIRE)-- Lucidea, provider of ArchivEra archival collections management software is attending, sponsoring, and presenting during the **SAA (Society of American Archivists) conference** on August 25th through 27th.

Lucidea's innovative and adaptable archival collections management solutions enable researchers and the public to connect with the precious materials (traditional, digitized, and born-digital) archivists work hard to preserve. The powerful and versatile capabilities of **ArchivEra** make Lucidea a valued technology partner in the archives community.

Visit Lucidea's team in their virtual booth to learn about the latest client-driven enhancements to ArchivEra, their market-leading collections management system. While you're there, enter to win a \$200 Amazon Gift Card.

And you're invited to join them for a lively presentation: How to Engage in the Digital Age with ArchivEra: Expand your Public Presence on Friday Aug 26th, 9:30am – 10am in the Mini Theater.

For further information about any of Lucidea's collections management products, please phone 604 278 6717 or email sales@lucidea.com with your questions.
