Oshkosh Corporation Releases Annual Sustainability Report and New Mobile-Friendly Sustainability Website

5/12/2016

OSHKOSH, Wis.--(BUSINESS WIRE)-- Oshkosh Corporation (NYSE: OSK) announces the release of its updated annual Corporate Sustainability Report and corresponding mobile-friendly website. This annual report highlights the Company’s sustainability efforts around the globe. From innovative new product developments to achieving new product safety standards, from reducing environmental impact through improved supply chain efficiency to helping charitable organizations reach their goals, Oshkosh is making a difference.

“At Oshkosh Corporation, we experience success when we focus on our people and rally around our shared purpose to inspire the best in each other. By striving for superior performance, we can better create value for our customers,” said Wilson R. Jones, Oshkosh Corporation president and chief executive officer. “Our Fiscal 2015 Report highlights the significant progress our Company has made over the past year to make a difference in all areas of sustainability.”

In addition to the report, Oshkosh has updated its Sustainability website to be more mobile-friendly. The site highlights a variety of stories and videos in relation to sustainability efforts going on throughout the Corporation including stories about its products, its employees and its charitable efforts.

The report is available on the Oshkosh Corporation Sustainability website at www.sustainability.oshkoshcorp.com.

About Oshkosh Corporation

Forward-Looking Statements

This press release contains statements that the Company believes to be “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. All statements other than statements of historical fact, including, without limitation, statements regarding the Company's future financial position, business strategy, targets, projected sales, costs, earnings, capital expenditures, debt levels and cash flows, and plans and objectives of management for future operations, are forward-looking statements. When used in this press release, words such as “may,” “will,” “expect,” “intend,” “estimate,” “anticipate,” “believe,” “should,” “project” or “plan” or the negative thereof or variations thereon or similar terminology are generally intended to identify forward-looking statements. These forward-looking statements are not guarantees of future performance and are subject to risks, uncertainties, assumptions and other factors, some of which are beyond the Company's control, which could cause actual results to differ materially from those expressed or implied by such forward-looking statements.
