Cautionary Statements

The guidance contained in this press release constitutes "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934, that involve risks and uncertainties that could cause actual results to differ materially from those in those statements. The reader should not place undue reliance on forward-looking statements, which speak only as of the date they are first made. Except to the extent required by law, the Company undertakes no obligation to publicly update forward-looking statements. It is not possible to identify all such risks and uncertainties. We encourage investors to read the important risk factors described in the Risk Factors section of the Company's Form 10-K and Form 10-Q reports filed with the Securities and Exchange Commission. These risk factors include, but are not limited to: changes in the healthcare industry and regulatory environment; fluctuations in foreign currency exchange rates; the impact of the Change Healthcare joint venture on the company's results of operations; the company's ability to manage and complete divestitures and distributions; material adverse resolution of pending legal proceedings, including those related to the distribution of controlled substances; cyberattack, natural disaster, or malfunction of sophisticated internal computer systems to perform as designed; and the potential inadequacy of insurance to cover property loss or liability claims.
