SAN FRANCISCO--BUSINESS WIRE--McKesson Corporation (NYSE:MCK) announced today that Jeff Campbell, executive vice president and chief financial officer, will present at the UBS 21st Annual Global Healthcare Services Conference in New York City at approximately 9:00 a.m. EST on Tuesday, February 8, 2011. An audio webcast with accompanying slides will be available live and archived on the company’s Investor Relations website at www.mckesson.com/investors. A complete listing of upcoming events for the investment community is available on the company’s Investor Relations website.

McKesson Corporation, currently ranked 14th on the FORTUNE 500, is a healthcare services and information technology company dedicated to helping its customers deliver high-quality healthcare by reducing costs, streamlining processes, and improving the quality and safety of patient care. Over the course of its 178-year history, McKesson has grown by providing pharmaceutical and medical-surgical supply management across the spectrum of care; healthcare information technology for hospitals, physicians, homecare and payers; hospital and retail pharmacy automation; and services for manufacturers and payers designed to improve outcomes for patients.
