Forward-Looking Statements

This news release contains "forward-looking statements." These statements are based on current plans and expectations and involve a number of risks and uncertainties that could cause actual results and events to vary materially.

Factors that could impact Susser Holdings include, but are not limited to: competitive pressures from convenience stores, gasoline stations, other non-traditional retailers and other wholesale fuel distributors; volatility in **CRUDE OIL** and wholesale petroleum costs; increasing consumer preferences for alternative motor fuels, or improvements in fuel efficiency; seasonal trends; severe or unfavorable weather conditions; cross-border risks associated with the concentration of Stripes® stores in markets bordering Mexico; inability to build or acquire and successfully integrate new stores; ability to comply with federal and state regulations including those related to environmental matters, the sale of alcohol and cigarettes and employment laws and health benefits; dangers inherent in transporting motor fuel; pending or future consumer or other litigation; wholesale cost increases of tobacco products or future legislation or campaigns to discourage smoking; litigation or adverse publicity concerning food quality, food safety or other health concerns related to Stripes® restaurant facilities; dependence on two principal suppliers for merchandise; dependence on suppliers for credit terms; dependence on senior management and the ability to attract qualified employees; acts of war and terrorism; risks relating to substantial indebtedness and dependence on subsidiaries for **CASH** flow generation; dependence on information technology systems; impairment of goodwill or indefinite lived assets; and other unforeseen factors. Factors that could impact Susser Petroleum include, but are not limited to: Susser Holdings' business strategy, operations, risks and conflicts of interest with Susser Petroleum; ability to renew or renegotiate long-term distribution contracts with customers; changes in the price of and demand for motor fuel; dependence on two principal suppliers; competition in the wholesale motor fuel distribution industry; seasonal trends; increased costs; ability to make acquisitions; environmental laws and regulations; dangers inherent in the storage of motor fuel; reliance on Susser Holdings for transportation services; and other unforeseen factors.

For a full discussion of these and other risks and uncertainties, refer to the "Risk Factors" section of Susser Holdings' annual report on Form 10-K for the year ended December 30, 2012 and subsequent quarterly reports on Form 10-Q as well as the "Risk Factors" section of Susser Petroleum's annual report on form 10-K for the year ended December 31, 2012 and subsequent quarterly reports on Form 10-Q. These forward-looking statements are based on and include our estimates as of the date hereof. Subsequent events and market developments could cause our estimates to change. While we may elect to update these forward-looking statements at some point in the future, we specifically disclaim any obligation to do so, even if new information becomes available, except as may be required by applicable law.
