

## CHARTER OF THE AUDIT COMMITTEE

### OF THE

### BOARD OF DIRECTORS

### OF

### IHEARTMEDIA, INC. (THE “COMPANY”)

(Amended and Restated as of June 17, 2019)

1. Purpose. The purpose of the Audit Committee (the “*Committee*”) shall be to (a) appoint, oversee and replace, if necessary, the Company’s independent registered public accounting firm (the “independent registered public accounting firm”), (b) assist the Company’s Board of Directors (the “*Board*”) with its oversight of (i) the preparation of the Company’s financial statements, (ii) the Company’s compliance with legal and regulatory requirements, (iii) the independent registered public accounting firm’s qualifications and independence, and (iv) the performance of the Company’s internal audit function and independent registered public accounting firm; and (c) prepare the report required by the rules of the Securities and Exchange Commission (the “*SEC*”) to be included in the Company’s annual proxy statement or Annual Report on Form 10-K.

2. Composition of the Audit Committee. The Committee shall consist of not less than three Board members appointed by the Board, each of whom has no material relationship with the Company and who is otherwise “independent” as defined in the listing standards of Nasdaq Global Select Market and Rule 10A-3 promulgated under the Securities Exchange Act of 1934, as amended (the “*Exchange Act*”). Committee members may be removed by the Board in its discretion. The Chair of the Committee shall be appointed by the Board or, if the Board does not do so, the Committee members shall elect a Chair by vote of a majority of the full Committee. Members of the Committee shall be versed in reading and understanding fundamental financial statements, with at least one member being financially sophisticated, as a result of past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background, as the foregoing qualifications are interpreted by the Board in its business judgment. The Board shall also determine whether any member of the Committee is an “audit committee financial expert,” as defined by the rules of the SEC. If the Board has determined that a member of the Committee is an audit committee financial expert, it may presume that he or she is financially sophisticated. No director may serve as a member of the Committee if such director serves on the audit committees of three or more other public companies unless the Board determines that such simultaneous service would not impair the ability of that director to serve effectively on the Committee, and discloses this determination in the Company’s annual proxy statement.

3. Organization and Governance of the Committee. In order to fulfill its role, the Committee shall be organized and governed in the following manner:

- The Committee shall hold regularly scheduled meetings and such special meetings as circumstances dictate, at such times and places as the Committee shall deem advisable on the call of the Chair of the Committee or, in his or her absence, by any member of the Committee;
- The presence of a majority of the members of the Committee then in office shall constitute a quorum for the transaction of business, and action may be taken by the Committee upon the affirmative vote of a majority of the members present;
- Action may be taken by the Committee without a meeting if all of the members of the Committee indicate their approval thereof in writing;
- The Committee shall meet separately, at least quarterly, (i) with management, (ii) with the personnel responsible for the internal audit function, and (iii) with the independent registered public accounting firm, in each case to discuss results of examinations and any other matters that the Committee or any of these persons or firms believe should be discussed privately; and
- The Committee shall have the authority to delegate to subcommittees of the Committee any of the responsibilities of the full Committee.

4. Oversight Role of the Committee. While the Committee has the duties and responsibilities set forth in this charter, the Committee's role is one of oversight. The Company's management is responsible for the preparation, presentation and integrity of the Company's financial statements and for the internal control over financial reporting. Management and the internal auditing department are responsible for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for auditing the annual financial statements prior to the filing of the Annual Report on Form 10-K, reviewing the Company's quarterly financial statements prior to the filing of each quarterly report on Form 10-Q and other procedures. In fulfilling these responsibilities, it is recognized that members of the Committee are not employees of the Company and are not, and do not represent themselves to be, performing the functions of auditors or accountants. In this regard, management and the independent registered public accounting firm have the affirmative responsibility to inform the Committee of important issues involving the Company's financial reporting accounting policies and practices, audit matters, disclosure and internal controls in a timely and forthright manner. The Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the independent registered public accounting firm's work. Similarly, it is not the responsibility of the Committee to ensure that the Company complies with all laws and regulations. The Committee has responsibility for the appointment, compensation, retention, oversight and replacement, if necessary, of the independent registered public accounting firm, including the resolution of disagreements between management and the independent registered public accounting firm regarding financial reporting. Subject to and in accordance with applicable law, each member of the Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Company from whom or which it receives information and (ii) the accuracy of the financial and other information

provided to the Committee by such persons or organizations, in the case of both clauses (i) and (ii), absent actual knowledge to the contrary (which shall be promptly reported to the Board).
