

Becker’s Names ResMed Director to List of “Women to Know in Medtech”

San Diego - June 30, 2017 - ResMed (NYSE: RMD) today announced Director of Healthcare Informatics Amy Cook has been named one of 110 “Women to Know in Medtech” by Becker’s Hospital Review.

“Ms. Cook is building the long-term vision for ResMed’s healthcare informatics business in the Americas region,” Becker’s said. “She joined the company in 2012 as it was beginning to expand beyond device production to data informatics solutions that could benefit hospitals. She was integral in developing and rolling out the company’s suite of connected health IT services and platforms.”
