AquaVenture Holdings Announces Third Quarter 2019 Earnings Conference Call; Participating at Upcoming Investor Conferences

(Tampa, Fla.) – AquaVenture Holdings Limited (“AquaVenture”) (NYSE: WAAS), a leader in Water-as-a-Service® (WAAS®) solutions, today announced the date for the release of its third quarter 2019 earnings and its participation at upcoming investor conferences.

Third Quarter 2019 Earnings

AquaVenture will host its third quarter 2019 earnings conference call on Wednesday, November 6th at 8:00 a.m. Eastern Time. The conference call can be accessed live over the phone by dialing 1-855-327-6837, or for international callers, 1-631-891-4304. A replay will be available two hours after the call and can be accessed by dialing 1-844-512-2921, or for international callers, 1-412-317-6671. The passcode for the live call and the replay is 10007809. The replay will be available until November 13, 2019.

Interested investors and other parties may also listen to a simultaneous webcast of the conference call by logging onto the Investor Relations section of the Company’s website at www.aquaventure.com. The online replay will be available for a limited time beginning immediately following the call.

Upcoming Investor Conferences

In addition, AquaVenture’s management team will attend the following conferences:

Baird 2019 Global Industrial Conference
November 7, 2019
Presentation – 2:30 p.m. Local Time
Chicago, Illinois

ROTH New Industrials & Technology Day
November 13, 2019
New York, New York

Members of the management team will be meeting with institutional investors at the Baird and ROTH conferences. Investors who are interested in setting up a meeting may contact AquaVenture Investor Relations or their Baird or ROTH conference representatives.

About AquaVenture

AquaVenture Holdings (NYSE: WAAS) is a multinational provider of WAAS solutions that provide customers a reliable and cost-effective source of clean drinking and process water primarily under long-term contracts that minimize capital investment by the customer. AquaVenture is composed of two operating platforms: Quench, a leading provider of filtered water systems and related services with more than 150,000 units installed at institutional and commercial customer locations across the U.S. and Canada; and Seven Seas Water, a multinational provider of desalination and wastewater treatment solutions, providing more than 8.5 billion gallons of potable, high purity industrial grade and ultra-pure water per year to governmental, municipal, industrial and hospitality customers.
