We strongly encourage you to provide instructions to your broker to vote your ordinary shares and exercise your rights as a shareholder.

If you are a shareholder of record as of April 18, 2018, you will be admitted to the meeting upon presenting a form of photo identification. If you own ordinary shares beneficially through a bank, broker or otherwise, you will be admitted to the meeting upon presenting a form of photo identification and proof of share ownership or a valid proxy signed by the record holder. A recent brokerage statement or a letter from a bank or broker are examples of proof of share ownership for this purpose.

Regardless of whether or not you plan to attend the Annual Meeting, please follow the instructions you received to authorize a proxy to vote your ordinary shares as soon as possible to ensure that your ordinary shares are represented at the Annual Meeting. Any shareholder that decides to attend the Annual Meeting in person may, if so desired, revoke the prior proxy by voting their ordinary shares at the Annual Meeting.

PROXY STATEMENT

2018 ANNUAL MEETING OF SHAREHOLDERS

GENERAL INFORMATION

This proxy statement is furnished in connection with the solicitation by the Board of Directors (“Board”) of AquaVenture Holdings Limited (“AVH”, “we”, “us”, “our” or the “Company”) of proxies to be voted at the 2018 Annual Meeting of Shareholders (“Annual Meeting”). We will bear the cost of this solicitation. On or about April 27, 2018, we mailed to shareholders our proxy statement, proxy card and 2017 Annual Report to Shareholders (collectively, the “Proxy Materials”). The following is important information regarding the Annual Meeting and this proxy statement.

Q: When is the annual meeting and where will it be held?

A: The Annual Meeting will be held on Friday, June 8, 2018, at 9:00 a.m., local time, at The Westin Grand Cayman, 30620 Seven Mile Beach 0, Cayman Islands.

Q: Why did you send me this proxy statement?

A: We sent you this proxy statement and the enclosed proxy card because AVH’s Board is soliciting your proxy on behalf of AVH to vote your shares at the Annual Meeting. This proxy statement summarizes information that we are required to provide to you under the rules of the United States Securities and Exchange Commission (the “SEC”) and which is designed to assist you in voting.

Q: How do I vote using the telephone or the Internet?

A: Shareholders with ordinary shares directly registered in their names with Computershare Trust Company, N.A. (“Computershare”), AVH’s transfer agent, may vote on the Internet at <http://www.investorvote.com/WAAS>. The voter will be required to provide the Control Number contained on the voter’s proxy card. After providing the correct Control Number, the voter will be asked to complete an electronic proxy card. The votes will be generated on the computer screen and the voter will be prompted to submit or revise them as desired. Votes submitted via the Internet by a registered shareholder must be received by 11:59 p.m., Eastern Daylight Time, on June 7, 2018.

A number of brokerage firms and banks are participating in a program for shares held in “street name” that offers Internet voting options. This program is different from the program provided by Computershare for shares registered in the name of the shareholder. If your shares are held in an account at a brokerage firm or bank participating in the street name program, you may have already been offered the opportunity to elect to vote using the Internet. Votes submitted via the Internet through the street name program must be received by 11:59 p.m., Eastern Daylight Time, on June 7, 2018.

Shareholders voting via the Internet should understand that there might be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, which the shareholder must bear.

Shareholders eligible to vote at the Annual Meeting, may also vote by calling (toll free) 1-800-652-VOTE (8683), using a touch-tone telephone and following the recorded instructions. Votes submitted via telephone must be received by 11:59 p.m., Eastern Daylight Time, on June 7, 2018.

Please note that the method of voting used will not affect your right to vote in person should you decide to attend the Annual Meeting in person. Also, please be aware that AVH is not involved in the operation of either of these Internet voting procedures and does not take responsibility for any access or Internet service interruptions that may occur or any inaccuracies, or erroneous or incomplete information that may appear.

Q: Who is entitled to vote?

A: Only holders of record of our ordinary shares at the close of business on April 18, 2018 (“Record Date”) will be entitled to notice of, and to vote at, the Annual Meeting. As of close of business on the Record Date, 26,522,870 ordinary shares were issued and outstanding. Every shareholder is entitled to one vote for each ordinary share held on the Record Date.

Q: Upon what may I vote?

- A:
- (1) Election of three Class II directors for three-year terms; and
 - (2) Ratification of the appointment of KPMG LLP as our independent registered public accounting firm for 2018.

Q: How does the Board recommend that I vote?

A: The Board recommends that you vote:

- (1) **FOR each of the Class II director nominees identified in this proxy statement; and**
- (2) **FOR ratification of the appointment of KPMG LLP as AVH’s independent registered public accounting firm for 2018.**

Q: How will voting on any other business be conducted?

A: We are not aware of any business to be brought before the shareholders at the Annual Meeting other than as described in this proxy statement. However, if any other business is properly presented for shareholder consideration, your signed proxy card gives authority to Doug Brown, Chairman and Chief Executive Officer, Anthony Ibarguen, President, and Lee S. Muller, Chief Financial Officer, to vote on those matters at their discretion.

Q: What constitutes a quorum?

A: Shareholders may not take action at the Annual Meeting unless there is a quorum present at the meeting. A meeting of shareholders is duly constituted, and a quorum is present, if, at the commencement of the meeting, there are present in person or by proxy not less than 50% of the votes of the shares entitled to vote on resolutions of shareholders to be considered at the meeting. Abstentions and broker non-votes (as described below) will be included in the calculation of the number of shares considered to be present at the meeting for quorum purposes.

Q: How many votes are needed for approval of each proposal presented in this proxy statement?

A: Assuming that at least a majority of the ordinary shares of AVH are represented at the Annual Meeting, either in person or by proxy:

Directors shall be elected by the affirmative vote of a simple majority of the votes of those shareholders entitled to vote and voting on the election (meaning the number of shares voted “for” a nominee must exceed the number of shares voted “against” such nominee). Abstentions and broker non-votes are not considered votes cast for the foregoing purpose and will have no effect on the election of nominees.

The Audit Committee’s appointment of KPMG LLP as AVH’s independent registered public accounting firm for 2018 will be ratified if a majority of the votes cast support the appointment. Your broker or other nominee will be able to vote your shares with respect to this proposal without your instructions as the proposal to ratify

the appointment of KPMG LLP is considered “routine.” Abstentions have no impact on the outcome of this proposal.

Q: How do I vote?

A: You may vote your shares either in person or by proxy. Whether you plan to attend the meeting and vote in person or not, we encourage you to submit your proxy by: (1) using the toll-free telephone number shown on the enclosed proxy card; (2) using the Internet website shown on the enclosed proxy card or (3) completing, signing and dating the enclosed proxy card and returning it promptly in the enclosed postage-paid envelope. If you return your signed proxy card but do not mark the boxes showing how you wish to vote, your shares will be voted consistent with the Board’s recommendations listed above.

Shareholders voting via the Internet should understand that there might be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, which the shareholder must bear.

Q: Can I change my vote?

A: You have the right to change your vote at any time before the meeting by:

- 1) Notifying AVH’s Secretary, Conyers Corporate Services (BVI) Limited, in writing at AquaVenture Holdings Limited, Wickhams Cay 1, P.O. Box 3140, Road Town, Tortola, British Virgin Islands VG1110, with a copy to Lee S. Muller, Assistant Secretary, Seven Seas Water Corporation, 14400 Carlson Circle, Tampa, Florida 33626, that you have revoked your proxy;
- 2) Returning a later-dated proxy card;
- 3) Voting through the Internet at <http://www.investorvote.com/WAAS> at a later date, provided that the shareholder does so before 11:59 p.m., Eastern Daylight Time, on June 7, 2018; or
- 4) Voting through the toll-free telephone number by calling 1-800-652-VOTE (8683) at a later date, provided that the shareholder does so before 11:59 p.m., Eastern Daylight Time, on June 7, 2018.

In addition, you may change your vote by attending the Annual Meeting in person and voting directly at the Annual Meeting.

Q: How are my shares voted if I submit a proxy but do not specify how I want to vote?

A: If you submit a properly executed proxy card or complete the telephone or Internet voting procedures but do not specify how you want to vote, your shares will be voted: (1) FOR the election of each of the Class II director nominees for director; (2) FOR the ratification of the appointment of KPMG LLP as AVH’s independent registered public accounting firm for 2018; and (3) in the discretion of the persons named as proxies on all other matters that may be brought before the meeting.

Q: Who will count the vote?

A: A representative of Computershare, an independent tabulator, will count the vote and act as the inspector of elections.

Q: Who will pay for this proxy solicitation?

A: We will pay all the costs of soliciting these proxies, except for costs associated with individual shareholder use of the Internet and telephone. In addition to mailing proxy solicitation material, our directors and employees may solicit proxies in person, by telephone or by other electronic means of communication. We will also

reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to our shareholders.

Q: Who is entitled to attend the Annual Meeting?

A: Attendance at the Annual Meeting will be limited to our shareholders as of the Record Date and to guests of AVH. All shareholder guests must be approved by AVH and will be limited to spouses, persons required for medical assistance and properly authorized representatives of our shareholders as of the Record Date. In addition, if you wish to attend the Annual Meeting and you are not the record holder of your shares, you must first obtain a legal proxy form from your broker or other organization that holds your shares. Please contact your broker or organization for instructions regarding obtaining a legal proxy. If you obtain a legal proxy and plan to attend the Annual Meeting, you will be required to present a valid form of identification.

Q: How do I submit shareholder proposals to be brought before the Annual Meeting or future annual meetings?

A: Shareholder proposals intended to be presented at the next Annual Meeting, other than a proposal to be considered for inclusion in the Company's proxy statement as described below, must satisfy the requirements set forth in the advance notice provision under our memorandum and articles of association. To be timely for our next annual meeting of shareholders, any such proposal must be delivered in writing to Conyers Corporate Services (BVI) Limited, Secretary, at AquaVenture Holdings Limited, Wickhams Cay 1, P.O. Box 3140, Road Town, Tortola, British Virgin Islands VG1110, with a copy to Lee S. Muller, Assistant Secretary, Seven Seas Water Corporation, 14400 Carlson Circle, Tampa, Florida 33626, between the close of business on February 8, 2019 and March 8, 2019.

If the date of the next annual meeting of the shareholders is scheduled to take place before May 9, 2019 or after August 7, 2019, notice must be delivered not later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made.

Any nomination must include all information relating to the nominee that is required to be disclosed in solicitations of proxies for election of directors in election contests or is otherwise required under Regulation 14A under the Securities Exchange Act of 1934, as amended, or the Exchange Act, the person's written consent to be named in the proxy statement and to serve as a director if elected, and such information as we might reasonably require to determine the eligibility of the person to serve as a director. As to other business, the notice must include a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting, and any material interest of such shareholder (and the beneficial owner) in the proposal. The proposal must be a proper subject for shareholder action. In addition, to make a nomination or proposal, the shareholder must be of record at the time the notice is made and must provide certain information regarding itself (and the beneficial owner), including the name and address, as they appear on our books, of the shareholder proposing such business, the number of our shares which are, directly or indirectly, owned beneficially or of record by the shareholder proposing such business or its affiliates or associates (as defined in Rule 12b-2 promulgated under the Exchange Act) and certain additional information.

Q: When are the shareholder proposals to be considered for inclusion in the proxy materials for the next Annual Meeting of Shareholders due?

A: In addition to the requirements stated above, all shareholder proposals to be considered for inclusion in next year's proxy statement pursuant to Rule 14a-8 promulgated under the Exchange Act must be submitted in writing to Conyers Corporate Services (BVI) Limited, Secretary, at AquaVenture Holdings Limited, Wickhams Cay 1, P.O. Box 3140, Road Town, Tortola, British Virgin Islands VG1110, with a copy to Lee S. Muller, Assistant Secretary, Seven Seas Water Corporation, 14400 Carlson Circle, Tampa, Florida 33626, by December 29, 2018. If the date of the annual meeting is moved by more than 30 days from the date contemplated at the time of the previous year's proxy statement, then notice must be received within

a reasonable time before we begin to print and send proxy materials. If that happens, we will publicly announce the deadline for submitting a proposal in a press release or in a document filed with the SEC.

Explanatory Note

We are an emerging growth company, as defined in Section 2(a)(19) of the Securities Act of 1933, as amended (the “Securities Act”), as modified by the Jumpstart Our Business Startups Act of 2012. For as long as we continue to be an emerging growth company, we may take advantage of exemptions from various reporting requirements that are applicable to other public companies that are not emerging growth companies, including (1) not being required to comply with the auditor attestation requirements of Section 404 of the Sarbanes-Oxley Act of 2002 (the “Sarbanes-Oxley Act”), (2) reduced disclosure obligations regarding executive compensation in our periodic reports and proxy statements and (3) exemptions from the requirements of holding a nonbinding advisory vote on executive compensation and shareholder approval of any golden parachute payments not previously approved.

We could be an emerging growth company for up to five years after our initial public offering in October 2016, or October 2021. However, other circumstances could cause us to lose emerging growth company status earlier, including the earlier of (i) the last day of the fiscal year in which we have total annual gross revenues of \$1.07 billion (as inflation adjusted by the SEC from time to time) or more; (ii) the last day of the fiscal year in which we have issued more than \$1 billion in non-convertible debt during the past three years; or (iii) the date on which we are deemed a “large accelerated filer,” as defined by the Exchange Act Rule 12b-2, in which case we would no longer be an emerging growth company as of the following fiscal year end.

PROPOSAL 1: ELECTION OF DIRECTORS

Our business and affairs are managed under the direction of our Board. The number of directors is fixed by our Board, subject to the terms of our memorandum and articles of association. Our Board currently consists of nine directors, seven of whom qualify as "independent" under New York Stock Exchange ("NYSE") listing standards.

In accordance with our memorandum and articles of association, our Board is divided into three classes of directors with staggered three-year terms. Only one class of directors will be elected at each annual meeting of our shareholders, with the other classes continuing for the remainder of their respective three-year terms. Our directors are divided among the three classes as follows:

- The Class I directors are Messrs. Brown, Lincoln and O'Neill, and their terms will expire at the annual meeting of shareholders to be held in 2020;
- The Class II directors are Messrs. Hanrahan, Ibarguen and Meduña, and their terms will expire at the Annual Meeting; and
- The Class III directors are Messrs. Evans, Lovell and Reilly, and their terms will expire at the annual meeting of shareholders to be held in 2019.

Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one third of the directors.

Each director nominee named below is currently a director of AVH. The ages shown are as of April 27, 2018, the date of this proxy statement. Each director nominee has agreed to serve as a director if elected. If one or more of the nominees becomes unavailable for election, the remaining members of the Board will, in their sole discretion and pursuant to authority granted by the AVH memorandum and articles of association, nominate and vote for a replacement director or reduce the authorized number of directors.

- Oversee management performance on behalf of our shareholders;
- Advocate on behalf of the long-term interests of our shareholders;
- Monitor adherence to AVH's established procedures, standards and policies;
- Be actively involved in the oversight of risk that could affect AVH;
- Promote the exercise of sound corporate governance; and
- Carry out other duties and responsibilities as may be required by applicable state, federal and foreign laws, as well as the NYSE Rules.

Board Meetings

During 2017, the Board and its standing committees met an aggregate of 21 times and took action by written consent six times. In 2017, all of the directors, except Mr. Lovell, attended at least 75% of the meetings of the Board and the standing committees of which they were members, either in person or by phone. Mr. Lovell attended, either in person or by phone, 68% of meetings for the Board and standing committees of which he was a member.

Director Independence

Our Board has undertaken a review of the independence of each director. Based on information provided by each director concerning his background, employment and affiliations, our Board has determined that Messrs. Evans, Hanrahan, Lincoln, Lovell, Meduña, O'Neill and Reilly are "independent" and as such, do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is "independent" as that term is defined under the applicable rules and regulations of the SEC and the listing standards of the NYSE. Furthermore, the Board has determined that each member of each of the committees of our Board is independent within the meaning of the NYSE's, the SEC's, and our applicable committees' independence standards, including Rule 10a-3(b)(1) under the Exchange Act. In making these determinations, our Board considered the current and prior relationships that each non-employee director has with our company and all other facts and

circumstances our Board deemed relevant in determining their independence, including the beneficial ownership of our shares by each non-employee director, and the transactions involving them described in the section titled "Certain Relationships and Related Party Transactions."

At least annually, our Board evaluates all relationships between our company and each director in light of relevant facts and circumstances for the purposes of determining whether a material relationship exists that might signal a potential conflict of interest or otherwise interfere with such director's ability to satisfy his or her responsibilities as an independent director. Based on this evaluation, the Board will make an annual determination of whether each director is independent within the meaning of the NYSE's, the SEC's and our applicable committees' independence standards.

Board Leadership Structure

Mr. Brown serves as our Chief Executive Officer and as chairman of the Board. The Board believes that having our Chief Executive Officer as chairman of the Board facilitates the Board's decision-making process because Mr. Brown has first-hand knowledge of our operations and the major issues we face. This also enables Mr. Brown to act as the key link between the Board and other members of management. To ensure effective independent oversight, the Board may appoint a lead independent director, who would serve as chairman of the executive sessions of the independent directors and assist the Board in assuring effective corporate governance. Executive sessions of the independent directors are held following each regularly scheduled, in person meeting of the Board. Currently, one or more of the independent directors presides over each such executive session. There is no formal process or rotation system used to select the presiding director of each executive session and, to date, that responsibility has been shared among several of our independent directors. The Board may in the future appoint a single lead independent director who would serve as chairman of the executive sessions of the independent directors.

Board of Directors Role in Risk Oversight

One of the key functions of our Board is informed oversight of our risk management process. Our Board does not have a standing risk management committee, but rather administers this oversight function directly through the board of directors as a whole, as well as through its standing committees that address risks inherent within their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure. Our Audit Committee is responsible for reviewing and discussing our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies with respect to risk assessment and risk management. Our Audit Committee is also responsible for monitoring compliance with legal and regulatory requirements, in addition to oversight of the performance of our external audit function. Our Nominating and Corporate Governance Committee is responsible for monitoring the effectiveness of our corporate governance guidelines. Our Compensation Committee is responsible for reviewing and discussing the risks arising from our compensation philosophy and practices applicable to all employees that are reasonably likely to have a material adverse effect on our company.

Code of Business Conduct and Ethics

Our Board has adopted a Code of Business Conduct and Ethics that applies to all of our employees, officers and directors, including our Chief Executive Officer, and other executive and senior financial officers. A copy of the code is posted on the Corporate Governance section of our website, which is located at <http://investors.aquaventure.com/corporate-governance/governance-documents>. If we make any substantive amendments to, or grant any waivers from, the Code of Business Conduct and Ethics for any officer or director, we will disclose the nature of such amendment or waiver on our website or in a current report on Form 8-K.

Insider Trading, Anti-Pledging, Anti-Hedging

In connection with our initial public offering, we adopted our Statement of Company Policy on Insider Trading and Disclosure and our Special Trading Procedures for Insiders, which together constitute our company's insider trading policy. This policy governs the trading in our securities by directors, officers and employees, their family members, other members of their household, entities controlled by a person covered by the policy, and designated outsiders who

have or may have access to our material nonpublic information (collectively referred to as "Insiders"). In addition to other prohibited activities, the policy states that (i) no employee, including Insiders, may trade in AVH securities while in the possession of material nonpublic information concerning our company; (ii) no Insider may trade in AVH securities during designated black-out periods; (iii) Insiders are required to obtain pre-approval to trade in AVH securities; (iv) no Insider may use any AVH securities as collateral in a margin account or, without pre-approval by our Audit Committee, pledge any of our securities as collateral for a loan (or modify an existing pledge); (v) no Insider may buy or sell puts, calls, other derivative securities or any derivative securities that provide the economic equivalent of ownership of any of our securities or an opportunity, direct or indirect, to profit from any change in the value of our securities or engage in any other hedging transaction with respect to our securities; and (vi) no Insider may at any time sell any of our securities that are not owned by such Insider at the time of the sale. Gifts by Insiders are subject to the same restrictions as all other securities trades.

Communications to Directors

Shareholders and other interested parties may address written communications to individual directors, or to the Board as a whole, by writing to the Secretary at AVH's executive offices c/o Conyers Corporate Services (BVI) Limited, Wickhams Cay 1, P.O. Box 3140, Road Town, Tortola, British Virgin Islands VG1110, with a copy to Seven Seas Water Corporation, 14400 Carlson Circle, Tampa, Florida 33626. All communications from shareholders must include the name and address of the shareholder as it appears on the record books of AVH and the name and address of the beneficial owner, if any, on whose behalf the communication is submitted. The Secretary will compile such communications and forward them to the directors on a periodic basis. However, the Secretary has authority to disregard any communication that is primarily an advertisement or solicitation or is threatening, obscene, or similarly inappropriate in nature. Communications that have been disregarded for these reasons may be reviewed by any director upon request.

Director Attendance at Annual Meetings

We encourage all directors to attend the Annual Meeting. Six of our directors attended the 2017 Annual Meeting of Shareholders.

Majority Voting for Directors

Our directors are elected by a majority vote.

To be elected, the votes "for" a director must exceed 50% of the votes actually cast with respect to the director's election. Votes actually cast exclude votes where banks, brokers or others who hold shares in street name for a client return a proxy but provide no instructions as to how shares should be voted on a particular matter (also known as broker non-votes) and exclude abstentions with respect to that director's election. Therefore, abstentions and any broker non-votes will have no effect on the election of directors. If an incumbent director is not re-elected, such director's term ends at the Annual Meeting, and the Board, in its sole discretion, may, pursuant to our memorandum and articles of association, fill any resulting vacancy or may decrease the size of the Board.

COMMITTEES OF THE BOARD OF DIRECTORS

Our Board has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The composition and responsibilities of each of the committees of our Board are described below. Members will serve on these committees until their resignation or until as otherwise determined by our Board.

Audit Committee

Our Audit Committee is a standing committee of the Board and consists of Messrs. Lovell, Meduña and Reilly, with Mr. Reilly serving as chairman. The composition of our Audit Committee meets the requirements for independence under current NYSE listing standards and SEC rules and regulations. Each member of our Audit Committee meets the financial literacy requirements of the NYSE listing standards. In addition, our Board has determined that Mr. Reilly is an audit committee financial expert within the meaning of Item 407(d) of Regulation S-K under the Securities Act. Our Audit Committee will, among other things:

- select a qualified firm to serve as the independent registered public accounting firm to audit our financial statements;
- help to ensure the independence and performance of the independent registered public accounting firm;
- discuss the scope and results of the audit with the independent registered public accounting firm, and review, with management and the independent registered public accounting firm, our interim and year end operating results;
- develop procedures for employees to submit concerns anonymously about questionable accounting or audit matters;
- review our policies on risk assessment and risk management;
- review related party transactions;
- obtain and review a report by the independent registered public accounting firm at least annually, that describes our internal control procedures, any material issues with such procedures and any steps taken to deal with such issues; and
- approve (or, as permitted, pre-approve) all audit and all permissible non-audit services to be performed by the independent registered public accounting firm.

The Audit Committee is responsible for appointing the independent auditor, approving engagement fees and engagements, and reviewing the independence and quality of the independent auditor. The Audit Committee is also responsible for reviewing audit plans, audit reports, recommendations of the independent auditor and the internal audit function. The Audit Committee reviews systems of internal accounting controls and audit results. The Audit Committee also reviews and discusses with management AVH's financial statements, earnings releases and earnings guidance. In addition, the Audit Committee reviews AVH's compliance with regulatory requirements and our Code of Business Conduct and Ethics.

The Audit Committee met eight times during the fiscal year ended December 31, 2017. Our Audit Committee operates under a written charter that satisfies the applicable rules of the SEC and the listing standards of the NYSE. A complete copy of the Audit Committee Charter is available on the Corporate Governance page at <http://investors.aquaventure.com/corporate-governance/governance-documents>.

Compensation Committee

Our Compensation Committee is a standing committee of the Board and consists of Messrs. Evans, Hanrahan and Lovell, with Mr. Hanrahan serving as chairman. The composition of our Compensation Committee meets the requirements for independence under NYSE listing standards and SEC rules and regulations. Each member of the Compensation Committee is also a non-employee director (as defined pursuant to Rule 16b-3 promulgated under the Exchange Act) and an outside director (as defined pursuant to Section 162(m) of the United States Internal Revenue Code of 1986, (the “Code”). The purpose of our Compensation Committee is to discharge the responsibilities of our Board relating to compensation of our executive officers. Our Compensation Committee, among other things:

- reviews, approves and determines, or makes recommendations to our Board regarding the compensation of our executive officers;
- evaluates the performance of our Chief Executive Officer in light of corporate goals and objectives and based on such evaluation: recommends to the Board the compensation for the Chief Executive Officer, including base salary, short- and long-term incentive compensation and compensation under equity-based plans;
- administers our share and equity incentive plans;
- reviews, approves and makes recommendations to our Board regarding incentive compensation and equity plans;
- establishes and reviews general policies relating to compensation and benefits of our employees;
- produces a Compensation Committee report to be included in the Company’s proxy statement relating to its annual meeting of stockholders or annual report on Form 10-K in accordance with applicable rules and regulations.

The Compensation Committee establishes executive compensation policies and reviews and approves senior executive compensation. The Chief Executive Officer recommends to the Compensation Committee the form and level of compensation for each named executive officer other than himself. The Compensation Committee reviews corporate goals and objectives relevant to the Chief Executive Officer’s compensation, evaluates the Chief Executive Officer’s performance against those objectives, and makes recommendations to the Board regarding the Chief Executive Officer’s compensation. The Compensation Committee does not delegate authority to perform any of the foregoing functions with respect to the compensation of any named executive officer. In addition, the Compensation Committee reviews director compensation periodically and makes recommendations regarding director compensation to the Board for approval.

During 2017, the Compensation Committee met five times and acted by written consent two times. Our Compensation Committee operates under a written charter that satisfies the applicable rules of the SEC and the listing standards of the NYSE. A complete copy of the Compensation Committee Charter is available on the Corporate Governance page at <http://investors.aquaventure.com/corporate-governance/governance-documents>.

Compensation Committee Interlocks and Insider Participation

None of our executive officers currently serves, or in the past year has served, as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our board of directors or compensation committee. None of the members of our Compensation Committee is an officer or employee of our company, and none of the members of our Compensation Committee has ever been an officer or employee of our company.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee is a standing committee of the Board and consists of Messrs. Lincoln, Meduña and O'Neill, with Mr. O'Neill serving as chairman. The composition of our Nominating and Corporate Governance Committee meets the requirements for independence under NYSE listing standards and SEC rules and regulations. Our Nominating and Corporate Governance Committee will, among other things:

- identify, evaluate and select, or make recommendations to our Board regarding, nominees for election to our Board and its committees;
- evaluate the performance of our Board and of individual directors;

A complete copy of the Nominating and Corporate Governance Committee Charter is available on the Corporate Governance page at <http://investors.aquaventure.com/corporate-governance/governance-documents>.

Identifying and Evaluating Director Nominees

The Board has delegated the director selection and nomination process to the Nominating and Corporate Governance Committee, with the expectation that other members of the Board, and of management, will be requested to take part in the process as appropriate.

Generally, the Nominating and Corporate Governance Committee is responsible for identifying candidates for director nominees in consultation with management, through the use of search firms or other advisors, through the recommendations submitted by shareholders or through such other methods as the Nominating and Corporate Governance Committee deems to be helpful to identify candidates. Once candidates have been identified, it is our policy that the Nominating and Corporate Governance Committee confirm that the candidates meet all of the minimum qualifications for director nominees established by the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee may gather information about the candidates through interviews, detailed questionnaires, comprehensive background checks or any other means that the Nominating and Corporate Governance Committee deems to be appropriate in the evaluation process. The Nominating and Corporate Governance Committee would then meet as a group to discuss and evaluate the qualities and skills of each candidate, both on an individual basis and taking into account the overall composition and needs of the Board. Based on the results of the evaluation process, the Nominating and Corporate Governance Committee would recommend candidates for the Board's approval as director nominees for election to the Board.

Minimum Qualifications

In evaluating proposed director candidates, the Nominating and Corporate Governance Committee may consider all facts and circumstances that it deems appropriate or advisable, including, among other things, the skills of the proposed director candidate, his or her depth and breadth of professional experience or other background characteristics, his or her independence, the current size and composition of our Board and the needs of our Board and its respective committees.

At a minimum, the nominee must have the highest personal and professional integrity, have demonstrated exceptional ability and judgment, and be most effective, in conjunction with the other nominees to the Board, in collectively serving the long-term interests of our shareholders. In addition, our Nominating and Corporate Governance Committee shall recommend that the Board select persons for nomination to help ensure that a majority our Board is "independent" under NYSE Rules and that the members of the committees of our Board are "independent." Some of the additional qualifications that our Nominating and Corporate Governance Committee may consider include diversity of experience, expertise, business acumen, understanding of our business and industry, potential conflicts of interest and other commitments. Our Nominating and Corporate Governance Committee may also consider whether director nominees have proven achievement and competence in their field and the ability to provide guidance to our management team and make significant contributions to our success, and an understanding of the fiduciary responsibilities that are required of a director. Our Nominating and Corporate Governance Committee also considers whether our director candidates have sufficient time available to perform all board of director and committee responsibilities. Members of our Board are expected to prepare for, attend, and participate in all board of director and applicable committee meetings.

Our Policy Governing Director Qualifications and Nominations provides that, in addition to any other standards our Nominating and Corporate Governance Committee may deem appropriate from time to time for the overall structure and composition of the Board, the committee may consider whether the nominee, if elected, assists in achieving a mix of Board members that represents a diversity of background and experiences.

Shareholder Recommendations

Shareholders may submit recommendations for director candidates to the Nominating and Corporate Governance Committee by sending the individual's name and qualifications to Conyers Corporate Services (BVI) Limited, Secretary, AquaVenture Holdings Limited, Wickhams Cay 1, P.O. Box 3140, Road Town, Tortola, British Virgin Islands VG1110, with a copy to Lee S. Muller, Assistant Secretary, Seven Seas Water Corporation, 14400 Carlson Circle, Tampa, Florida 33626, who will forward all recommendations to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee will evaluate any candidates recommended by shareholders against the same criteria and pursuant to the same policies and procedures applicable to the evaluation of candidates proposed by directors or management.

Non-Employee Director Compensation

Our Board has adopted a director compensation structure for directors who are not our employees and not affiliated with our institutional investors that is designed to provide a total compensation package that enables us to attract and retain, on a long-term basis, high caliber directors and to align the directors' interests with the long-term interests of our shareholders. Our policy has been and will continue to be to reimburse our directors for their travel, lodging and other reasonable expenses incurred in attending meetings of our Board and committees of the Board.

In connection with the completion of our initial public offering in October 2016, our Board adopted a compensation policy for directors who are neither employees nor affiliated with our institutional investors that is designed to provide a total compensation package that enables us to attract and retain, on a long-term basis, high caliber nonemployee

directors. The table below shows the cash retainers our directors are eligible to receive under our current nonemployee director compensation policy.

	Annual Retainer
Board of Directors:	
Members	\$ 35,000
Additional retainer for Chairman of the Board	\$ 35,000
Audit Committee:	
Chairman	\$ 20,000
Non-Chairman members	\$ 10,000
Compensation Committee:	
Chairman	\$ 14,000
Non-Chairman members	\$ 7,000
Nominating and Corporate Governance Committee:	
Chairman	\$ 10,000
Non-Chairman members	\$ 5,000

In addition, on an annual basis, each such director is eligible to receive a grant of restricted share units having a fair market value of \$125,000, which vest in full on the one-year anniversary of the grant date.

In April 2017, we implemented a deferred compensation program for such directors to permit them to defer compensation awarded to them under our director compensation policy. In advance of an award and in compliance with the program's requirements and applicable tax law, a director may elect to defer the receipt of his or her cash compensation and/or the settlement of his or her restricted share unit award until the earliest of his or her death, disability, sale event, separation from service or December 31 of the year following the year in which the compensation is otherwise vested. In addition, in the event a director elects to defer his cash compensation, the director's account will be credited with a number of share units equal to 120% of the quotient obtained by dividing the aggregate deferred cash fees that would otherwise be payable on such date by the fair market value of an ordinary share on that date.

2017 Non-Employee Director Compensation

The following table presents the total compensation for each person who served as a non-employee member of our Board during 2017. Mr. Brown, who is also our Chief Executive Officer, and Mr. Iburguen, who is our President, receive no compensation for their services as directors and, consequently, neither of them is included in this table. In addition, Messrs. Lincoln, Lovell and Meduña are affiliated with our institutional investors and, consequently, received no compensation for their service as members of our Board in 2017. The compensation received by each of Messrs. Brown and Iburguen as our employees during 2017 is set forth in the section of this proxy statement captioned "Executive Compensation—Summary Compensation Table."

- (2) The amounts reported in the Share Awards column include 9,754 restricted share units granted during 2017 to each of Messrs. Evans, Hanrahan, O’Neill and Reilly related to their annual equity awards. The grants to each such director were composed of 7,050 restricted share units for their 2017 services and 2,704 restricted share units related to their 2016 services. All of the restricted share units granted during 2017 vested on April 10, 2018. The grant date fair value of such awards for each Messrs. Evans, Hanrahan, O’Neill and Reilly was \$172,945.

In addition, Messrs. Evans, Hanrahan and O’Neill elected to defer their cash compensation during 2017 and were credited with a number of phantom share units equal to 120% of the quotient obtained by dividing the aggregate deferred cash fees that would otherwise be payable on such date by the fair market value of an ordinary share on that date. The phantom share units granted during 2017 were deemed fully vested upon the respective grant dates when the related cash fees were otherwise payable. The aggregate grant date fair value of such awards for each of Messrs. Evans, Hanrahan and O’Neill was \$25,200, \$29,400 and \$27,000, respectively. As of December 31, 2017, Messrs. Evans, Hanrahan and O’Neill had a balance of 1,744, 2,035 and 1,869, respectively, fully vested phantom share units in their respective deferred accounts.

The following table shows the aggregate number of unvested restricted share awards and options to purchase our ordinary shares held, if any, by our non-employee directors at December 31, 2017:

<u>Name</u>	<u>Aggregate Number of Unvested Restricted Share Awards Held</u>	<u>Aggregate Number of Unexercised Options Held</u>

Brian O’Neill	9,754	10,209
Richard F. Reilly	9,754	7,560

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Other than compensation arrangements for our directors and named executive officers, which are described elsewhere in the "Executive Compensation" section of this proxy statement, below we describe transactions since January 1, 2017 to which we were a party or will be a party, in which:

- the amounts involved exceeded or will exceed \$120,000; and
- any of our directors, executive officers or holders of more than 5% of our share capital, or any member of the immediate family of, or person sharing the household with, the foregoing persons, had or will have a direct or indirect material interest.

Our Audit Committee has the primary responsibility for reviewing and approving or disapproving "related party transactions," which are the transactions described above. Our Code of Business Conduct and Ethics and our Audit Committee charter provide that the Audit Committee shall review and approve or disapprove any related party transactions.

Since the beginning of January 1, 2017, there have not been, nor is there currently proposed, any related party transactions, except for the compensation and other arrangements described in "Executive Compensation" and "2017 Non-Employee Director Compensation" elsewhere in this proxy statement.

Registration Rights

We are party to an investors' rights agreement with certain of our shareholders. The investors' rights agreement grants such shareholders certain registration rights, which include demand registration rights, piggyback registration rights and short-form registration rights, with respect to our ordinary shares.

Limitation of Liability and Indemnification of Officers and Directors

Our memorandum and articles of association contain provisions that limit the liability of our directors for monetary damages to the fullest extent permitted by the law of the British Virgin Islands. Further, we have entered into indemnification agreements with each of our directors and executive officers that may be broader than the specific indemnification provisions contained under the law of the British Virgin Islands. These indemnification agreements require us, among other things, to indemnify our directors and executive officers against liabilities that may arise by reason of their status or service. These indemnification agreements also require us to advance all expenses incurred by the directors and executive officers in investigating or defending any such action, suit, or proceeding. We believe that these agreements are necessary to attract and retain qualified individuals to serve as directors and executive officers.

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF KPMG LLP

Proposal

KPMG LLP has served as our independent auditor since December 2007 and has been appointed by the Audit Committee to continue as our independent auditor for 2018. In the event that ratification of the appointment of KPMG LLP as independent auditor for 2018 is not approved by the shareholders at the Annual Meeting, the Board will review the Audit Committee's future selection of independent auditors.

A representative of KPMG LLP is expected to be present at the Annual Meeting to respond to appropriate questions and to make any other statement deemed appropriate. The representatives will also be afforded an opportunity to make such statements as they desire.

Pre-Approval Policies and Procedures

It is the policy of the Audit Committee to pre-approve all services, audit and non-audit, to be provided to us by our independent registered public accounting firm. Under the policy, the Audit Committee is generally required to pre-approve the provision by our independent registered public accounting firm of specific audit, audit-related, tax and other non-audit services, subject to the fee limits established from time to time by the Audit Committee, as being consistent with auditor independence.

Since the adoption of our pre-approval policy, all services provided by KPMG LLP as our independent registered public accounting firm were pre-approved by the Audit Committee.

Vote Required and Board Recommendation

Approval of this proposal requires the affirmative vote of a simple majority of the votes of the ordinary shares entitled to vote that are present at the Annual Meeting and are voted, as well as the presence of a quorum. Ordinary shares that constitute broker non-votes are counted as shares entitled to vote on Proposal 2. Abstentions will have no effect on voting for this proposal.

OUR BOARD RECOMMENDS A VOTE *FOR* RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2018.

REPORT OF THE AUDIT COMMITTEE

Our Audit Committee is composed of three directors, all of whom the Board has determined to be independent within the meaning of the NYSE and SEC Rules, meet the requirements for financial literacy under applicable rules and regulations of the NYSE and the SEC and otherwise meet the requirements for service on audit committees pursuant to such rules and regulations. The Board has designated Mr. Reilly as an "audit committee financial expert" as defined under the applicable rules of the SEC. The Audit Committee assists the Board in general oversight of our financial accounting and reporting process, system of internal control and audit process.

Our management has primary responsibility for our consolidated financial statements and for maintaining effective internal control over financial reporting. Our independent auditors, KPMG LLP, are responsible for expressing an opinion on our consolidated financial statements as to whether they present fairly, in all material respects, our consolidated financial position, results of operations and cash flows, in conformity with generally accepted accounting principles in the United States, or U.S. GAAP. This opinion is based on their audits.

In this context, the Audit Committee reports as follows:

1. The Audit Committee has reviewed and discussed the audited consolidated financial statements with our management;
2. The Audit Committee has discussed with the independent auditors the matters required to be discussed by the Public Company Accounting Oversight Board Auditing Standard 1301, "Communications with Audit Committees";
3. The Audit Committee has received the written disclosures and the letter from the independent auditors required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communications with the Audit Committee concerning independence, and has discussed with the independent auditors their independence; and
4. Based on the review and discussion referred to in the above paragraphs, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2017 for filing with the SEC.

The Audit Committee has also appointed KPMG LLP, and our Board has recommended that our shareholders ratify such appointment, to audit our consolidated financial statements for the year ending December 31, 2018, and to provide review services for each of the quarters in the year ending December 31, 2018.

EXECUTIVE COMPENSATION

Overview

Our executive compensation program historically has reflected our growth and corporate goals. To date, the compensation of the executive officers identified in the summary compensation table below, whom we refer to as our named executive officers, has consisted of a combination of base salary, performance-related bonuses and long-term incentive compensation in the form of equity awards. Our executive officers are also eligible to receive retirement, health and welfare benefits.

As we transitioned from a private company to a publicly-traded company, we evaluated and will continue to evaluate our compensation values and philosophy and compensation plans and arrangements as circumstances require. At a minimum, we expect to review executive compensation annually with input from our Compensation Committee's independent compensation consultants, if and when determined by the Compensation Committee. As part of this review process, we expect our Board and the Compensation Committee to apply our compensation philosophy when considering the compensation levels needed to ensure our executive compensation program remains competitive. We will also review whether we are meeting our retention objectives and the potential cost of replacing a key employee. We engaged Willis Towers Watson to perform a review of executive compensation during 2017, which consisted of a market comparison of executive compensation to peer companies with a similar market capitalizations, revenues, industries and growth strategies targeting executive compensation at the 50th percentile.

The compensation provided to our named executive officers for 2017 is detailed in the 2017 Summary Compensation Table and accompanying footnotes and narrative that follows this section.

Our named executive officers in 2017 were:

- Douglas R. Brown, our Chief Executive Officer;
- Anthony Ibarguen, our President; and
- Lee S. Muller, our Chief Financial Officer, Treasurer and Assistant Secretary

Narrative to 2017 Summary Compensation Table

For 2017, we engaged Willis Towers Watson to assist in determining market compensation for the executive officers using a broad group of companies. Executive compensation for 2017 primarily consisted of base salary and non-equity incentive plan compensation.

Base Salary

Base salary was included as a component of the executive compensation program to ensure each named executive officer is rewarded for his service to the Company. A fixed component of compensation also ensures the named executive officer continues to focus on long-term objectives to maximize shareholder value as compared to only focusing on shorter-term objectives and the related incentives.

The base salaries for Messrs. Brown, Ibarguen, and Muller that were established for 2017 were \$360,000, \$320,000 and \$295,000, respectively, and for 2016 were \$350,000, \$310,000 and \$285,000, respectively. The base salaries for Mr. Ibarguen described in this paragraph are not directly comparable to the amounts listed in the Summary Compensation Table for 2017 and 2016 because they commenced in February 2017 and 2016, respectively, and represent a weighted-average of his current and prior year base salaries.

Non-Equity Incentive Plan Compensation

Annual performance-based bonuses ("Performance Bonus"), which are paid in cash, were included as a component of the executive compensation to motivate our executive officers to achieve key corporate and segment-level financial and strategic goals. For 2017, the potential payment for the Performance Bonus for Messrs. Brown, Ibarguen and Muller ranged from zero to 200% of a target award based on the actual attainment of specified financial metrics in addition to evaluating individual performance in the context of the achievement of management business objectives ("MBOs"). The financial metrics were based on the 2017 budget approved by the Board, while the MBO attainment was measured against operational achievements made during the year. The target bonuses for Messrs. Brown, Ibarguen, and Muller for 2017 were \$515,000, \$222,000 and \$120,000, respectively.

For Messrs. Brown, Ibarguen and Muller, 75% of their Performance Bonus was based on targeted 2017 consolidated Adjusted EBITDA plus cash collected on the Peru construction contract and 25% of their Performance Bonus was based on individual performance and the achievement of individual MBOs.

The amounts approved and paid to Messrs. Brown, Ibarguen and Muller were \$549,800, \$242,500 and \$131,100, respectively, for 2017 and \$575,000, \$365,175 and \$86,170, respectively, for 2016 and were included in the "Non-Equity Incentive Plan Compensation" column of the summary compensation table above. In addition, the 2016 "Non-Equity Incentive Plan Compensation" column for Mr. Ibarguen includes a payout of a cash bonus of \$2,594,596 pursuant to the Quench USA, Inc. Amended and Restated 2011 Management Incentive Bonus Plan ("Quench MIP"). The Quench MIP provided that upon a "sale event" (as defined in the Quench MIP, which definition included consummation of an initial public offering), a bonus pool would be created based upon the proceeds received in connection with the sale event, and each participant would be entitled to receive a bonus equal to his or her share of the bonus pool. The "sale event" was triggered on October 12, 2016 upon the consummation of our initial public offering.

Long-term Incentive Compensation

In light of the significant grants made in October 2016 in conjunction with our initial public offering, there were no additional long-term incentive compensation grants to Messrs. Brown and Ibarguen during 2017. For Mr. Muller, however, the Compensation Committee granted 18,192 restricted share units during 2017 to align Mr. Muller's long-term share incentives with the 50th percentile of identified companies for retention purposes. The restricted share units vest over four years with 25% of the award vesting on the first anniversary of the grant date and the remainder vesting in equal quarterly installments over the remaining three years.

In January 2018, the Compensation Committee recommended, and the Board approved, the grant of restricted share units to employees, including grants of 59,514, 29,464, and 19,976 restricted share units to Messrs. Brown, Ibarguen and Muller, respectively. The restricted share units vest over four years with 25% of the award vesting on the first anniversary of the grant date and the remainder vesting in equal installments over the remaining three years. These grants were made in connection with the Compensation Committee's annual review of employee compensation. The Compensation Committee expects that annual equity grants will constitute part of certain employees' annual compensation. Such grants will be composed of grants of options to purchase shares, restricted share units, or a combination thereof.

Compensation Risk Assessment

We believe that although a portion of the compensation provided to our executive officers and other employees is performance-based, our executive compensation program does not encourage excessive or unnecessary risk taking. This is primarily due to the fact that our compensation programs are designed to encourage our executive officers and other employees to remain focused on both short-term and long-term strategic goals, in particular in connection with our pay-for-performance compensation philosophy. As a result, we do not believe that our compensation programs are reasonably likely to have a material adverse effect on us.

Agreements with Named Executive Officers

We have entered into an employment agreement or an offer letter with each of Messrs. Brown, Ibarguen and Muller in connection with his employment with us. Except as noted below, these employment agreements and offer letters provide for "at will" employment.

Douglas R. Brown

We entered into an offer letter with Mr. Brown that provides for his at-will employment and sets forth his initial base salary, initial equity award, and eligibility for our benefit plans. Pursuant to his offer letter, in the event Mr. Brown's employment is terminated by us other than for "cause", Mr. Brown will be entitled to receive salary continuation for the 12-month period following the termination of his employment, and any equity incentive awards he holds will vest as if he had completed an additional 12 months of service. In Mr. Brown's offer letter, "cause" is defined as (i) a willful and material breach of any obligations under the offer letter or other contract with us or our subsidiaries or affiliates, (ii) fraud or dishonesty, (iii) competition with us or our subsidiaries or affiliates in violation of any noncompetition or non-solicitation obligation to us or any of our subsidiaries or affiliates, (iv) unauthorized use of any of our trade secrets or confidential information or those of our subsidiaries or affiliates or any breach of any obligations to us or our subsidiaries or affiliates with respect to trade secrets or confidential information, or (v) Mr. Brown's failure to attend to duties assigned to him that are customary for his position and material to the success of our operations that remains unremedied for 30 days after written notice to Mr. Brown. In addition, Mr. Brown is entitled to a tax "gross-up payment" (as defined in his offer letter) in the event he receives any payments in connection with a change in control that would be subject to the excise tax imposed by Section 4999 of the Code.

In addition, Mr. Brown has entered into a proprietary information and inventions assignment agreement that contains, among other things, non-competition and non-solicitation provisions that apply during the term of Mr. Brown's employment and for one year thereafter.

Anthony Ibarguen

Quench entered into an employment agreement with Mr. Ibarguen that provides for his at-will employment and sets forth his initial base salary, bonus opportunity, initial equity award, and eligibility for the company's benefit plans. Pursuant to his employment agreement, and subject to his execution of a release of claims and continued compliance with the ongoing obligations under his employment agreement, in the event Mr. Ibarguen's employment is terminated by Quench without "cause" or he resigns for "good reason" (as defined in his employment agreement), Mr. Ibarguen will be entitled to receive salary continuation for the 12-month period following the termination of his employment and payment of the premiums for continued health benefits for the 12-month period following the termination of his employment. In Mr. Ibarguen's employment agreement, "cause" is defined as (i) the conviction of a felony involving a crime of fraud, dishonesty, disloyalty, moral turpitude or professional misconduct with respect to us or our business, or the entry of a plea of nolo contendere for such a felony; (ii) the material breach, non-performance or non-observance of any of the terms of his employment agreement or any other agreement with us, or the material breach, non-performance or non-observance of his duties to us or any of our rules governing employee behavior, if such breach, non-performance or non-observance is not cured within a period of thirty days after written notice to Mr. Ibarguen; (iii) the existence of any legal

or contractual limitation on Mr. Ibarguen's ability to engage in the business of our company that reasonably could be expected to have a materially adverse effect on Mr. Ibarguen's ability to attract or retain customers or perform services to us if such limitation is not cured within a period of thirty days after written notice to Mr. Ibarguen; (iv) any act or omission by Mr. Ibarguen which constitutes willful or gross misconduct injurious to us or our business, or which interferes with or adversely affects Mr. Ibarguen's performance of, or ability to perform, his duties under his employment agreement; or (v) Mr. Ibarguen's willful failure or refusal to follow or carry out the reasonable and lawful instructions of our Board concerning material duties or actions consistent with his position in a timely manner and otherwise in a manner reasonably acceptable to our Board and such failure or refusal continues for a period of thirty days after receipt of written notice. In the event Mr. Ibarguen's employment terminates due to his death or "permanent disability" (as defined in his employment agreement), he will be entitled to receive an amount equal to his base salary and any annual bonus that is earned, prorated through the last day of the month during which the termination occurs. Mr. Ibarguen is not entitled to a tax "gross-up payment" in the event he receives any payments in connection with a change in control that would be subject to the excise tax imposed by Section 4999 of the Code. Rather, any payments that would otherwise be subject to an excise tax under Section 4999 of the Code shall be reduced, but only if such reduction would result in Mr. Ibarguen retaining a larger portion of such payments on an after-tax basis than if no reduction was made and the excise taxes had been paid (a so-called modified cutback provision).

In addition, Mr. Ibarguen's employment agreement contains, among other things, non-competition and non-solicitation provisions that apply during the term of Mr. Ibarguen's employment and for two years thereafter.

Lee S. Muller

Seven Seas Water Corporation entered into an offer letter with Mr. Muller that provides for his at-will employment and sets forth his initial base salary, bonus opportunity, initial equity award, and eligibility for our benefit plans. Pursuant to his offer letter, in the event Mr. Muller's employment is terminated by us other than for "cause", and subject to his execution of a release of claims, Mr. Muller will be entitled to receive salary continuation for the 12-month period following the termination of his employment and the stock incentive awards he holds will continue to vest during such 12-month period. In Mr. Muller's offer letter, "cause" is defined as (i) a willful and material breach of any obligations under the offer letter or other contract with us or our subsidiaries or affiliates, (ii) fraud or dishonesty, (iii) competition with us or our subsidiaries or affiliates in violation of any noncompetition or non-solicitation obligation to us or any of our subsidiaries or affiliates, (iv) unauthorized use of any of our trade secrets or confidential information or those of our subsidiaries or affiliates or any breach of any obligations to us or our subsidiaries or affiliates with respect to trade secrets or confidential information, or (v) Mr. Muller's failure to attend to duties assigned to him that are customary for his position and material to the success of our operations that remains unremedied for 30 days after written notice to Mr. Muller. Mr. Muller is not entitled to a tax "gross-up payment" in the event he receives any payments in connection with a change in control that would be subject to the excise tax imposed by Section 4999 of the Code.

In addition, Mr. Muller has entered into a proprietary information and inventions assignment agreement that contains, among other things, non-competition and non-solicitation provisions that apply during the term of Mr. Muller's employment and for one year thereafter.

401(k) Plans

We maintain two tax-qualified retirement plans that provide eligible employees with an opportunity to save for retirement on a tax-advantaged basis: the Seven Seas Water Corporation 401(k) Plan (the "SSW 401(k) Plan") and the Quench USA, Inc. 401(k) Profit Sharing Plan and Trust (the "Quench 401(k) Plan"). All participants' interests in their contributions are 100% vested when contributed. Participants in the Seven Seas Water Corporation 401(k) Plan receive a 3% safe harbor contribution from us, regardless of whether they make elective deferrals. As of January 1, 2018, the SSW 401(k) Plan was amended and we now match 50% of the first 6% of the employee's compensation deferred under the plan. Participants in the Quench 401(k) Plan receive a matching contribution from us equal to 50% of a participant's contributions up to 6% of a participant's compensation. Pre-tax contributions are allocated to each participant's individual account and are then invested in selected investment alternatives according to the participants' directions. Participants in the SSW 401(k) Plan are also eligible to make contributions on a post-tax basis. Both retirement plans are intended to qualify under Sections 401(a) and 501(a) of the Code.
