IQVIA to Announce Third-Quarter Results on October 20, 2020

DANBURY, Conn. & RESEARCH TRIANGLE PARK, N.C. – October 07, 2020 – IQVIA Holdings Inc. (“IQVIA”) (NYSE:IQV), will announce its third-quarter financial results before the market opens on Tuesday, October 20, 2020. The IQVIA management team will also host a conference call and webcast at 9:00 a.m. Eastern Time on that date. The earnings release and accompanying financial information will be posted on the IQVIA Investor Relations website at <http://ir.iqvia.com>.

To listen to the event and view the presentation slides via webcast, join from the IQVIA Investor Relations website at <http://ir.iqvia.com>. To participate in the conference call, interested parties must register in advance by clicking on this [link](#). Following registration, participants will receive a confirmation email containing details on how to join the conference call, including the dial-in and a unique passcode and registrant ID. At the time of the live event, registered participants connect to the call using the information provided in the confirmation email and will be placed directly into the call.

A replay of the webcast will be available approximately two hours after the conclusion of the live event. To access the webcast recording, visit <http://ir.iqvia.com>.

About IQVIA

IQVIA (NYSE:IQV) is a leading global provider of advanced analytics, technology solutions and contract research services to the life sciences industry. Formed through the merger of IMS Health and Quintiles, IQVIA applies human data science — leveraging the analytic rigor and clarity of data science to the ever-expanding scope of human science — to enable companies to reimagine and develop new approaches to clinical development and commercialization, speed innovation and accelerate improvements in healthcare outcomes. Powered by the IQVIA CORE™, IQVIA delivers unique and actionable insights at the intersection of large-scale analytics, transformative technology and extensive domain expertise, as well as execution capabilities. With approximately 67,000 employees, IQVIA conducts operations in more than 100 countries.

IQVIA is a global leader in protecting individual patient privacy. The company uses a wide variety of privacy-enhancing technologies and safeguards to protect individual privacy while generating and analyzing information on a scale that helps healthcare stakeholders identify disease patterns and correlate with the precise treatment path and therapy needed for better outcomes. IQVIA’s insights and execution capabilities help biotech, medical device and pharmaceutical companies, medical researchers, government agencies, payers and other healthcare stakeholders tap into a deeper understanding of diseases, human behaviors and scientific advances, in an effort to advance their path toward cures.
