IQVIA to Participate in the Barclays Global Healthcare Conference on March 09, 2021

DANBURY, Conn. & RESEARCH TRIANGLE PARK, N.C. – March 02, 2021 – IQVIA Holdings Inc. (“IQVIA”) (NYSE:IQV), announced today that Ron Bruehlman, executive vice president and chief financial officer, will participate in a virtual fireside chat at the Barclays Global Healthcare Conference on Tuesday, March 09, 2021 at 3:00 p.m. EST.

A live audio webcast of the presentation will be available on the IQVIA Investor Relations website at <http://ir.iqvia.com>. A replay of the webcast also will be available later that day.

About IQVIA

IQVIA (NYSE:IQV) is a leading global provider of advanced analytics, technology solutions, and clinical research services to the life sciences industry. IQVIA creates intelligent connections across all aspects of healthcare through its analytics, transformative technology, big data resources and extensive domain expertise. IQVIA Connected Intelligence™ delivers powerful insights with speed and agility — enabling customers to accelerate the clinical development and commercialization of innovative medical treatments that improve healthcare outcomes for patients. With approximately 70,000 employees, IQVIA conducts operations in more than 100 countries.

IQVIA is a global leader in protecting individual patient privacy. The company uses a wide variety of privacy-enhancing technologies and safeguards to protect individual privacy while generating and analyzing information on a scale that helps healthcare stakeholders identify disease patterns and correlate with the precise treatment path and therapy needed for better outcomes. IQVIA’s insights and execution capabilities help biotech, medical device and pharmaceutical companies, medical researchers, government agencies, payers and other healthcare stakeholders tap into a deeper understanding of diseases, human behavior and scientific advances, in an effort to advance their path toward cures.
