IQVIA to Present at the Bank of America Merrill Lynch Health Care Conference on May 15, 2018

DANBURY, Conn., & RESEARCH TRIANGLE PARK, N.C., May 8, 2018 — IQVIA Holdings Inc. (“IQVIA”) (NYSE: IQV), announced today that Michael McDonnell, executive vice president and chief financial officer, will speak at the Bank of America Merrill Lynch 2018 Health Care Conference in Las Vegas on Tuesday, May 15, 2018 at 1:40 p.m. PDT / 4:40 p.m. EDT.

A live audio webcast of the presentation will be available on the IQVIA Investor Relations website at <http://ir.iqvia.com>. A replay of the webcast also will be available later that day.

About IQVIA

IQVIA (NYSE:IQV) is a leading global provider of advanced analytics, technology solutions, and contract research services to the life sciences industry. Formed through the merger of IMS Health and Quintiles, IQVIA applies human data science — leveraging the analytic rigor and clarity of data science to the ever-expanding scope of human science — to enable companies to reimagine and develop new approaches to clinical development and commercialization, speed innovation, and accelerate improvements in healthcare outcomes. Powered by the IQVIA CORE™, IQVIA delivers unique and actionable insights at the intersection of large-scale analytics, transformative technology and extensive domain expertise, as well as execution capabilities. With more than 55,000 employees, IQVIA conducts operations in more than 100 countries.

IQVIA is a global leader in protecting individual patient privacy. The company uses a wide variety of privacy-enhancing technologies and safeguards to protect individual privacy while generating and analyzing the information that helps their customers drive human health outcomes forward. IQVIA’s insights and execution capabilities help biotech, medical device and pharmaceutical companies, medical researchers, government agencies, payers and other healthcare stakeholders tap into a deeper understanding of diseases, human behaviors and scientific advances, in an effort to advance their path toward cures.
