# Forward Looking Statements and Use of Non-GAAP Financial Measures

*This presentation contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended. Such forward-looking statements reflect, among other things, the Company's current expectations and anticipated results of operations, all of which are subject to known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements, market trends or industry results to differ materially from those expressed or implied by such forward-looking statements. Therefore, any statements contained herein that are not statements of historical fact may be forward-looking statements and should be evaluated as such. Without limiting the foregoing, the words "anticipates," "believes," "estimates," "expects," "intends," "may," "plans," "projects," "should," "guidance," "targets," "will" and the negative thereof and similar words and expressions are intended to identify forward-looking statements. Actual results may differ materially from the Company's expectations due to a number of factors, including that most of the Company's contracts may be terminated on short notice, the Company may be unable to maintain large customer contracts or to enter into new contracts, the Company may under-price its contracts, overrun its cost estimates, or fail to receive approval for or experience delays in documenting change orders, the historical indications of the relationship of backlog to revenues may not be indicative of their future relationship, the Company is subject to the complex and changing regulatory and international environments in which the Company operates, the Company may be unable to successfully identify, acquire and integrate businesses, the Company's substantial indebtedness, and other risks more fully set forth in the Company's filings with the SEC, including the Company's annual report on Form 10-K for the fiscal year ended December 31, 2013, filed with the SEC on February 13, 2014, as such factors may be amended or updated from time to time in the Company's periodic filings with the SEC, which are accessible on the SEC's website at [www.sec.gov](http://www.sec.gov). The Company assumes no obligation to update any forward-looking statement after the date of this presentation, whether as a result of new information, future developments or otherwise.*

*This presentation includes financial measures not prepared in accordance with accounting principles generally accepted in the United States ("GAAP"). Management believes that these non-GAAP financial measures provide useful supplemental information to management and investors regarding the underlying performance of the Company's business operations and are more indicative of core operating results as they exclude certain items whose fluctuations from period-to-period do not necessarily correspond to changes in the core operations of the Company's business. Investors and potential investors are encouraged to review the reconciliations of the non-GAAP financial measures to their most directly comparable GAAP measures attached to this presentation.*

Certain costs are not allocated to the Company's segments and are reported as general corporate and unallocated expenses. These costs primarily consist of share-based compensation and expenses for corporate overhead functions such as finance, human resources, information technology, facilities and legal. The Company does not allocate restructuring or impairment charges to its segments.

<sup>1</sup>The constant currency calculation is provided in the Supplemental Information section of this presentation.

# 2014 Guidance Update

Service Revenues range of \$4.20 billion to \$4.24 billion

- 10.3% to 11.3% year over year growth range at forecasted exchange rates

Diluted Adjusted Earnings per share range of \$2.57 to \$2.67<sup>1</sup>

- 22.4% to 27.1% year over year growth range at forecasted exchange rates

Annual Effective Income Tax Rate of approximately 30%

<sup>1</sup> This financial guidance is based on the actual results for the first six month period of 2014 combined with our estimates for the following six months of 2014, assuming the June foreign currency exchange rates stay in effect for the remainder of the year and does not reflect the impact of any future equity repurchases.

A reconciliation of forecasted diluted adjusted earnings per share to diluted GAAP net income per share is provided in the Supplemental Information section of this presentation.
