

Myers Tire Supply to Showcase MTS Xpress at the 2024 SEMA Show

2024-10-30

AKRON, Ohio--(BUSINESS WIRE)-- Myers Tire Supply—the nation’s largest distributor of tools, equipment and supplies for the tire, wheel, and under-vehicle service industry—will feature live demonstrations of its innovative, all-digital MTS Xpress platform each day of the 2024 SEMA Show. Visit Myers Tire Supply (booth #43087, Lower South Hall) at SEMA, Nov. 5-8 at the Las Vegas Convention Center.

Launched in 2023, MTS Xpress is the only mobile app-based system of its kind in the under-vehicle service industry. With MTS Xpress , users gain the power to:

- Consolidate suppliers, streamlining inventory management and enhancing order accuracy,
- Control inventory levels across the organization, and
- Cash in by reducing labor costs and lowering inventory holding expenses to drive profitability.

MTS Xpress also offers a user-friendly platform. A simple scan of barcodes provides effortless re-ordering. Orders are automatically uploaded and shipped—often on the same day. Installation is fast, free, and performed by a Myers Tire Supply professional. Plus, a Myers rack-and-bin storage system can be provided to qualified customers.

“With MTS Xpress , inventory management becomes a streamlined, effective solution for customers,” said Mike Crane, Senior National Brand Manager for Myers Tire Supply. “We understand the challenges of operating a business while trying to control inventory and reduce costs. MTS Xpress puts those capabilities directly into the hands of consumers, allowing them to achieve new levels of efficiency and savings.”

Thousands of Myers Tire Supply customers, including tire dealers and National Accounts, already rely on MTS Xpress .

Visit Myers Tire Supply at SEMA and experience a live demonstration of MTS Xpress for yourself—then set up your account on the spot!
