INDIANAPOLIS--(BUSINESS WIRE)--MAXIMUS (NYSE: MMS), a leading provider of government services worldwide, announced today that its Indiana Enrollment Broker Services customer contact center has been recognized as a "Certified Center of Excellence" by BenchmarkPortal.

The MAXIMUS customer contact center achieved the Center of Excellence distinction based on best practice metrics drawn from the world's largest database of objective and quantitative performance data from thousands of contact centers. Performance data collected from the MAXIMUS contact center achieved BenchmarkPortal's objective and quantitative criteria in areas such as operational efficiency, service-level standards, customer satisfaction and employee training.

The Indiana Enrollment Broker Services customer contact center serves the 800,000 members of the statewide Medicaid managed care programs. MAXIMUS provides education and enrollment services, which include assisting program members with the selection of a health plan that best fits their health needs. In operation since 2007, the contact center serves all Medicaid programs across the state's 92 counties and handles approximately 460,000 calls annually.

"We are dedicated to providing the citizens of Indiana with the health information they need and to help them understand their health plan options. This independent certification confirms that we are upholding our commitment to high-quality and effective customer service," commented Bruce Caswell, President and General Manager of MAXIMUS Health Services.
