RESTON, Va.--(BUSINESS WIRE)--MAXIMUS (NYSE:MMS) announced today that its Federal Services subsidiary has been awarded a five-year, \$10.4 million contract by the Social Security Administration (SSA) to continue its work as the program data operations center manager for the Ticket to Work and Self-Sufficiency Program.

Under the five-year renewal contract, MAXIMUS will continue to maintain and update databases; access and retrieve information from SSA control files; accept data inputs; generate management information and program data reports; and provide database access and technical assistance.

The Ticket to Work and Self-Sufficiency Program, part of the Ticket to Work and Work Incentives Improvement Act of 1999, is an employment program serving individuals with disabilities. Under the current support management contract, MAXIMUS provides critical oversight and process support in order to sustain ongoing program operations, including the management of call center operations and maintenance of employment networks.

"MAXIMUS has been providing services for the Ticket to Work Program since 2000," commented MAXIMUS CEO Richard Montoni. "We are pleased to continue to provide SSA with the necessary support to sustain Ticket to Work Program operations and help meet the employment needs of their beneficiaries."
