[Tax Credit and Employer Services](#)

Dateline City:

RESTON, Va.

RESTON, Va.--(BUSINESS WIRE)--MAXIMUS announced today that it has achieved Gold Partner status in [Oracle PartnerNetwork](#) (OPN). By attaining Gold level membership, MAXIMUS is recognized by Oracle for its commitment to establish Oracle-related knowledge in delivering Electronic Work Opportunity Tax Credit (WOTC) pre-screening I-9/E-Verify management, as well as solutions that uniquely address the challenges of joint customers who seek to maximize their tax credit potential and maintain hiring compliance requirements.

Using Oracle technology, MAXIMUS solutions can enable customers to quickly and easily check job candidates for tax credit eligibility. Employers may be eligible to receive tax credit incentives for hiring from targeted populations, including veterans and individuals with disabilities. These incentives range from one-time credits of up to \$2,400 to two-year credits of up to \$9,600 per qualified individual.

MAXIMUS customers will also be able to electronically process the Form I-9 with pre-populated data and encrypted electronic signature. They will also be able to transmit data to E-Verify for compliance with various federal and state regulations requiring E-Verify participation.

"MAXIMUS values our relationship with Oracle and is pleased to achieve Gold level membership in OPN," said Mark S. Andrekovich, President of MAXIMUS Tax Credit and Employer Services. "We are excited to extend our services to the vast number of human resources professionals currently using Oracle solutions. MAXIMUS offers knowledge in helping employers identify tax incentives and achieve I-9 and E-Verify compliance in accordance with evolving federal regulations."

"As a Gold level member of OPN, MAXIMUS furthers its commitment to providing innovative products and technical expertise to its customers," said David Hicks, Vice President, Worldwide ISV and OEM Business Development, Oracle. "We congratulate MAXIMUS and applaud the Company's use of Oracle technology in its WOTC and E-Verify management solutions."

About MAXIMUS

MAXIMUS is a leading operator of government health and human services programs in the United States, United Kingdom, Canada, Australia and Saudi Arabia. The Company delivers business process services to improve the cost effectiveness, efficiency and quality of government-sponsored benefit programs, such as the Affordable Care Act, Medicaid, Medicare, Children's Health Insurance Program (CHIP), Health Insurance BC (British Columbia), as well as welfare-to-work and child support programs around the globe. The Company's primary customer base includes federal, provincial, state, county and municipal governments. Operating under its founding mission of *Helping Government Serve the People*[®], MAXIMUS has more than 13,000 employees worldwide. For more information, visit www.maximus.com.

About MAXIMUS Tax Credit and Employer Services

MAXIMUS Tax Credit and Employer Services works with businesses to maximize their tax credit potential through incentives, such as the federal Work Opportunity Tax Credit program, Location Benefits and Empowerment Zone Tax Credits. Some of these programs are designed to encourage employers to hire workers from targeted populations, including veterans, individuals with disabilities and long-term public assistance recipients. MAXIMUS Tax Credit and Employer Services additionally provides end-to-end electronic I-9 management services that are fully compliant with guidelines published by the U.S. Department of Homeland Security and seamlessly integrated with the U.S. Citizenship and Immigration Services E-Verify program. For more information, visit www.maximus.com/tces.

About Oracle PartnerNetwork

Oracle PartnerNetwork (OPN) Specialized is the latest version of Oracle's partner program that provides partners with tools to better develop, sell and implement Oracle solutions. OPN Specialized offers resources to train and support specialized knowledge of Oracle products and solutions and has evolved to recognize Oracle's growing product portfolio, partner base and business opportunity. Key to the latest enhancements to OPN is the ability for partners to differentiate through Specializations. Specializations are achieved through competency development, business results, expertise and proven success. To find out more visit <http://www.oracle.com/partners>.
