

POLITICAL ENGAGEMENT

We engage and have constructive discussions with government stakeholders and those who are creating or influencing policies that have a significant impact on our business.

We also participate in the electoral process where appropriate and allowed by law and only make political contributions in the U.S. Every donation is made in compliance with our Political Contributions Standard and all applicable federal, state and municipal laws. Contributions are made either directly by the Company or by our Company-sponsored political action committee called NEWPAC. Employee contributions to NEWPAC are voluntary and kept separate from those made by the Company.

U.S. TRADE ASSOCIATIONS

Newmont is a member of, and pays dues to, various organizations in the U.S. and abroad. Some of these trade associations engage in lobbying activities on behalf of the mining industry, or segments of the mining industry, and also may, either directly or through political action committees, provide contributions to political candidates or causes where permitted by law.

Newmont does not control the manner in which trade organizations use any funds contributed by Newmont, and does not necessarily support all of the individual initiatives and activities engaged in by these trade associations, but believes that, in general, their activities promote the success of the industry and Newmont's business.

Newmont's 2019 mining association dues with a percentage of membership fees attributable to political advocacy in excess of \$50,000 are shown in the table below.

2019 Trade association dues: Amount and percentage attributable to political advocacy¹	Annual Dues	Dues Attributable to Political Advocacy	Percentage attributable to political advocacy
National Mining Association	\$562,000	\$140,500	25%
Nevada Mining Association ²	\$344,398	\$58,548	17%

U.S. LOBBYING ACTIVITIES

2019 U.S. lobbying activities¹

All 2019 reports filed by lobbyists representing Newmont (both internal government relations employees and external representatives) are available from the U.S. House of Representatives, [using this link](#).

¹ Newmont only makes political contributions in the U.S. and only where appropriate and allowed by law. Newmont complies with the Lobbying Disclosure Act of 1995 (Section 5) and publishes LD-2 Disclosure Forms, which are publicly available from the U.S. Secretary of the Senate, Office of Public Records (lobbyingdisclosure.house.gov) and/or the U.S. Clerk of the House of Representatives: Legislative Resource Center (senate.gov/lobby).

U.S. POLITICAL CONTRIBUTIONS

Newmont's U.S. political contributions totaled \$66,700 in 2019, a significant decline from 2018 due to 2019 being an off-cycle election year. The creation of the Nevada Gold Mines joint venture also significantly reduced our U.S.-managed operating portfolio as well as our associated political engagement activities in Nevada.

2019 Political contributions (U.S. dollars) ^{1,2}	Party Affiliation	Amount
Nevada State Democratic Party	Democrat	\$15,000
Democratic Attorneys General Association	Democrat	\$15,000
Democratic Governors Association	Democrat	\$25,000
