

Our purpose is to create value and improve lives through sustainable and responsible mining.

ABOUT

Newmont is the world's leading gold company and a producer of copper, zinc, lead, and silver. Our world-class portfolio of assets, prospects and talent is anchored in favorable mining jurisdictions in Africa, Australia, Latin America & Caribbean, North America, and Papua New Guinea.

Newmont is the one of the top gold producers in the S&P 500 Index and is globally recognized for its environmental stewardship, social responsibility, and sound governance. Our reputation for excellence is underpinned by industry-best safety standards, superior operational execution, and deep technical expertise.
