Fact Sheet

2026 Q3

Our purpose: Unearthing value sustainably to advance lives.

Newmont is the world's leading gold company and a producer of copper, zinc, lead, silver and molybdenum, providing the metals the world needs for today and tomorrow. Founded in 1921 and publicly traded since 1925, Newmont is the only gold producer listed in the S&P 500 Index and is widely recognized for its principled environmental, social, and governance practices. At Newmont, our purpose is to unearth value sustainably to advance lives. To learn more, visit www.newmont.com.
