

# Welcome to Newmont

## OUR PURPOSE

We create value and improve lives through sustainable and responsible mining guided by five core values.

## OUR VALUES

### Safety.

We take care of our safety, health and wellness by recognizing, assessing and managing risk, and choosing safer behaviors to drive a fatality, injury and illness free workplace.

### Integrity.

We behave ethically and respect each other and the customs, cultures, and laws wherever we operate.

### Sustainability.

We serve as a catalyst for local economic development through transparent and respectful stakeholder engagement, and as responsible stewards of the environment.

### Inclusion.

We create an inclusive environment where employees have the opportunity to contribute, develop and work together to deliver our strategy.

### Responsibility.

We deliver on our commitments, demonstrate leadership, and have the courage to speak up and challenge the status quo.

Newmont is the world's leading gold company and a producer of copper, silver, zinc and lead.

The Company's world-class portfolio of assets, prospects and talent is anchored in top-tier jurisdictions in North America, South America, Australia and Africa. Newmont is the only gold producer listed in the S&P 500 Index and is widely recognized for its principled environmental, social and governance practices. The Company is an industry leader in value creation, supported by robust safety standards, superior execution and technical proficiency. Newmont was founded in 1921 and has been publicly traded since 1925.

This document contains "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, and applicable Canadian securities laws, which are intended to be covered by the safe harbor created by such sections and applicable laws. Forward-looking statements may include, without limitation: estimates of future production and sales, including expected annual production range, expectations regarding future business or operating results, and expectations regarding future exploration, development, growth and potential. Expectations of future events or results are based upon certain assumptions, which may prove to be incorrect, including, without limitation, prices for gold, other metals, fuel and key supplies being approximately consistent with assumed levels; the accuracy of current mineral reserve, mineral resource and mineralized material estimates; and other planning assumptions. Forward-looking statements are subject to risks, uncertainties and other factors, which could cause actual results to differ materially. For a discussion of risks and other factors, see Newmont's 2018 Annual Report on Form 10-K, filed with the Securities and Exchange Commission ("SEC") as well as the Company's other SEC filings, available on the SEC website or [www.newmont.com](http://www.newmont.com). Newmont Goldcorp does not undertake any obligation to release publicly revisions to any forward-looking statements, except as may be required under applicable securities laws. Continued reliance on "forward-looking statements" is at investors' own risk.
