Reflections on Women's Progress in Working for Equality in Mining

3/8/2021

At Newmont, we have taken significant steps to strengthen our commitment to providing an inclusive workplace. In honor of International Women's Day, we are reflecting on the progress made and celebrating the extraordinary roles that women at Newmont have played.

In the video below, Elle Farris, Corporate Counsel for Newmont Australia, speaks with Beatrice Opoku-Asare, Newmont's Global Director of Inclusion and Diversity, discussing how we can #ChoosetoChallenge norms and create a more inclusive workplace.
