AmerisourceBergen To Acquire Canadian Distributor

March 2, 2006

VALLEY FORGE, Pa.--(BUSINESS WIRE)--March 2, 2006--AmerisourceBergen Corporation (NYSE:ABC) today announced that its wholly owned subsidiary, AmerisourceBergen Canada Corporation, has signed an agreement to acquire substantially all of the assets of privately held Asenda Pharmaceutical Supplies Ltd and a related entity. The purchase price was not disclosed. AmerisourceBergen expects to complete the acquisition by March 31, 2006 and anticipates Asenda will be neutral to fiscal year 2006 earnings per share.

"Asenda is a logical expansion of our pharmaceutical distribution business in Canada and continues AmerisourceBergen's strategic focus on the pharmaceutical supply channel," said R. David Yost, AmerisourceBergen Chief Executive Officer.

Headquartered in Richmond, British Columbia, Asenda generated about US$172 million in revenue over the last twelve months. Asenda distributes pharmaceuticals in the provinces of British Columbia and Alberta, strengthening AmerisourceBergen Canada's position in western Canada.

FORWARD-LOOKING STATEMENTS

This news release may contain certain "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These statements are based on management's current expectations and are subject to uncertainty and changes in circumstances. Actual results may vary materially from the expectations contained in the forward-looking statements. Forward-looking statements may include statements addressing AmerisourceBergen's future financial and operating results and the benefits, efficiencies and savings to be derived from the Company's integration plans to consolidate its distribution network.

The following factors, among others, could cause actual results to differ materially from those described in any forward-looking statements: competitive pressures; the loss of one or more key customer or supplier relationships; customer defaults or insolvencies; changes in customer mix; supplier defaults or insolvencies; changes in pharmaceutical manufacturers' pricing and distribution policies or practices; adverse resolution of any contract or other disputes with customers (including departments and agencies of the U.S. Government) or suppliers; regulatory changes; changes in U.S. government policies (including reimbursement changes arising from the Medicare Modernization Act); further declines in the amounts of market share rebates offered by pharmaceutical manufacturers to the PharMerica long-term care business and/or the inability of the business to offset the rebate reductions that have already occurred, market interest rates; operational or control issues arising from AmerisourceBergen's outsourcing of information technology activities; success of the Pharmaceutical Distribution segment's ability to transition its business model to fee-for-service; success of integration, restructuring or systems initiatives; fluctuations in the U.S. dollar - Canadian dollar exchange rate; economic, business, competitive and/or regulatory developments in Canada; acquisition of businesses that do not perform as we expect or that are difficult for us to integrate or control; and other economic, business, competitive, legal, regulatory and/or operational factors affecting the business of AmerisourceBergen generally.

More detailed information about these and other risk factors is set forth in AmerisourceBergen's filings with the Securities and Exchange Commission, including its Annual Report on Form 10-K for fiscal 2005.

AmerisourceBergen is under no obligation to (and expressly disclaims any such obligation to) update or alter any forward looking statements whether as a result of new information, future events or otherwise.
