Industry Veteran Joins OMAM's Global Distribution Team

London — May 26, 2015 — OM Asset Management plc (NYSE: OMAM) today announced the appointment of Trevedi Tewari as Head of Institutional, United Kingdom and Ireland, effective June 1, 2015. With 18 years of experience in the financial services industry, Tewari brings broad expertise to OMAM's Global Distribution team, which provides comprehensive sales, marketing and client relationship support to enhance the distribution capabilities of the firm's Affiliates. Tewari will report to Olivier Lebleu, Head of International Business for OMAM.

Prior to joining OMAM, Tewari was a Director in Consultant Relations at Scottish Widows Investment Partnership (now part of Aberdeen Asset Management), performing a relationship management and sales role on the firm's institutional team. He holds a Bachelor of Science degree, with honors, in Management Studies from Brunel University in London.

"We are pleased that Trevedi is joining OMAM and helping to round out our institutional coverage team in Europe. His experience with both consultants and institutions in the United Kingdom and Irish markets complements our Affiliates' existing coverage, and further strengthens an already deep bench of knowledgeable professionals on our team," said Linda T. Gibson, Executive Vice President and OMAM's Head of Global Distribution.

OMAM's Global Distribution team enhances the institutional distribution capabilities housed within each Affiliate, providing shared resources for specialized markets including sub-advisory in North America and institutional clients internationally.
