Onto Innovation Announces Participation in 10th Annual December CEO Summit

11/9/2021

WILMINGTON, Mass.--(BUSINESS WIRE)-- Onto Innovation Inc. (NYSE: ONTO) today announced management's participation in the 10th Annual December CEO Summit, scheduled for December 8, 2021, at the St. Regis hotel, San Francisco, California. The conference is being held concurrently with SEMICON® West 2021 and is an in-person event.

The presentation material utilized for the CEO Summit will be made available on the investor relations page of the Company's website at <https://investors.ontoinnovation.com/>.

About The 10th Annual December CEO Summit 2021

The December CEO Summit is collectively hosted by the executive management teams from 11 participating companies and features a "round-robin" format consisting of small group meetings.

Held concurrently with SEMICON West in San Francisco, this CEO Summit is a live event. The St. Regis hotel, SEMICON West, and therefore the CEO Summit, all require proof of COVID-19 vaccination in order to register and attend events in person.

The 11 management teams currently confirmed to host the December 2021 CEO Summit are: ACM Research (ACMR), Aehr Test (AEHR), Alpha & Omega Semiconductor (AOSL), Axcelis (ACLS), Cohu (COHU), Ichor Systems (ICHR), inTEST Corporation (INTT), Kulicke & Soffa (KLIC), Onto Innovation (ONTO), Pivotal Systems (PVS.AX), and Revasum (RVS.AX).

The CEO Summit is by invitation only and is open to accredited investors and publishing research analysts. Please RSVP early, given the logistical considerations of live event registration this year, as well as space limitations. Hosts reserve the right to limit attendance as necessary. Last day for registration is November 29, 2021.
