TEMPE, Ariz.--(BUSINESS WIRE)-- **Limelight Networks** (NASDAQ:LLNW), a global leader in digital content delivery, today announced that it has appointed Gray Hall to its Board of Directors. "Gray Hall's business acumen, operational leadership experience and proven track record of successfully growing companies make him a great addition to our board," said Robert Lento, CEO of Limelight. "We look forward to collaborating with him to implement business and technology strategies focused on helping Limelight continue to grow and prosper."

excited to be joining the board and look forward to collaborating with the executive team to drive the company to continued success," said Hall.
