

Ritchie Bros. to host Inside Edge online construction panel on September 30

9/23/2021

External and internal experts to discuss OEM production delays, volumes & pricing, labor shortages, climate change, and much more

VANCOUVER, BC, Sept. 23, 2021 /CNW/ - With U.S. medium earthmoving equipment prices up 38% year over year at Ritchie Bros., the company is diving into the data with industry experts to discuss what is driving this hot construction market in 2021. On Thursday, September 30, at 12 p.m. Pacific (3 p.m. Eastern) Ritchie Bros. will host an Inside Edge panel about the construction industry, covering OEM production delays, auction volumes & pricing, labor shortages, climate change, and more.

"Our Inside Edge Live Industry Panels are great way for Ritchie Bros. to connect with customers and industry associations to share expertise and data to help us all better understand the diverse issues and factors impacting the industries we operate in every day," said Matt Ackley, Chief Marketing Officer and host of Ritchie Bros.' Inside Edge Panels. "For our September 30 construction panel, we have some great guests joining our discussion, including Bob Lanham, President of Associated General Contractors of America, and Ron Glen, CEO of the Alberta Roadbuilders and Heavy Construction Association."

The September 30 panel will also include in-house Ritchie Bros. experts, including Doug Olive, Senior Vice President, Pricing, and Doug Rusch, Managing Director, Sales, for Rouse Services.

Ritchie Bros.' Inside Edge Construction Panel is open to anyone and will be held as a Microsoft Teams Live Event. Visit rbauction.com/blog to register today. For more information, please email: CorpComm@rbauction.com.
