Aptar Again Named One of Barron's 100 Most Sustainable Companies in America

2/18/2020

CRYSTAL LAKE, Ill.--(BUSINESS WIRE)-- AptarGroup, Inc. (NYSE:ATR), a global leader in consumer dispensing, active packaging and drug delivery solutions, has again been named one of Barron's 100 Most Sustainable Companies in America. Aptar is number 48 on the top 100 list for 2020 and this marks the second time Aptar has been included on the esteemed list.

"We are honored to be among the top 50 of Barron's 100 Most Sustainable Companies recognizing our commitment to creating a more sustainable future," said Stephan Tanda, Aptar President and CEO. "We believe that strong governance and responsible behavior are essential to long-term success and we continue to pursue an inclusive workplace, embrace climate-focused practices and further a circular economy where plastic is reused and recycled."

This is the third year Barron's has published its list of companies with the highest ESG (Environmental, Social, Governance) scores. The Calvert Research and Management firm evaluated the 1,000 largest publicly held companies by market capitalization and ranked them in five key categories: shareholders, employees, customers, community and planet.
