With over 20 years of experience in pharmaceutical, medtech, digital health, biotech

and diagnosis, Julie's leadership approach focuses on inspiring teams to deliver sustainable growth in challenging markets and healthcare environments. With her solid track record of business transformation in multiple global positions, Julie is recognized as a highly engaging multi-cultural leader skilled in fluidly partnering with cross-functional teams to deliver results.

Since 2022, Julie has served as Executive Chair of the Board of Directors of Mundipharma China. Mundipharma is a global pharmaceutical leader. Prior to that, Julie held the position of Global Senior Vice President, President of Greater China for Envista Holdings Corporation. Julie's breadth of experience also includes numerous leadership roles at Eli Lilly and Company, including Senior Director, Global New Product Planning and Payer Marketing, Pricing, Reimbursement and Access of Lilly Diabetics and Vice President, Corporate and Government Affairs and Market Access and Vice President of Lilly China Oncology, while based in Shanghai. Prior to Eli Lilly, Julie was Vice President and General Manager of Asia Pacific and Japan Operations at Panomics and Affymetrix, which was acquired by Thermo Fisher Scientific.

In addition, she has served as Board Advisor on the Board of Directors for Mars, a global manufacturer of confectionery, pet food and provider of animal care services, since 2019.

"We are pleased to welcome Julie Xing to our Board of Directors. Julie's board leadership acumen, along with her in

depth knowledge of the pharmaceutical market and the Asia region, makes her a valuable addition to Aptar's Board of Directors," said Stephan B. Tanda, Aptar President and CEO.

Julie Xing said, "Aptar is an industry leader with a deep portfolio of products and services that spans many different and attractive pharmaceutical and consumer end markets. I am excited to join Aptar's Board of Directors to build upon the Company's more than 75-year history of developing innovative products that millions of people around the world use every day."

George Fotiades, Chairman of Aptar's Board of Directors, stated, "We look forward to welcoming Julie to our highly talented, diverse and multi-cultural Board of Directors. With 45% of our Board consisting of women and 27% of our Board comprised of persons of color, we are proud to be a leading company for greater diversity and gender equality on corporate boards."

Julie holds a Ph.D. in Biology from the Hong Kong University of Science and Technology.
