“We are extremely proud and honored to be recognized for our efforts to make Aptar an even more sustainable, socially responsible and inclusive company,” said Stephan Tanda, Aptar President and CEO. “This recognition,

alongside being named one of the Top 100 Most Sustainable U.S. Companies 2019 by Barron’s, is a reflection of who we are at our core and a testament to the commitment of our people to further a more sustainable world.”

Newsweek, in partnership with Statista – one of the largest statistics database companies worldwide, evaluated America’s Most Responsible Companies based on key performance indicators covering topics such as Environmental, Social, and Governance (ESG), published sustainability reports and took into account the survey results from 6,500 U.S. citizens.
