

Quidel to Hold First Quarter 2017 Financial Results Conference Call on April 24, 2017

April 11, 2017

SAN DIEGO, CA -- (Marketwired) -- 04/11/17 -- **Quidel Corporation** (NASDAQ: QDEL), a provider of rapid diagnostic testing solutions, cellular-based virology assays and molecular diagnostic systems, will report first quarter 2017 financial results after market close on Monday, April 24, 2017.

Following the release of results, Douglas Bryant, president and chief executive officer, and Randy Steward, chief financial officer, will host an investment community conference call beginning at 5:00 p.m. Eastern Time (2:00 p.m. Pacific Time) to discuss the results and answer questions. During the conference call, the company will also discuss business and financial developments and trends. The company's statements may contain or constitute material information that has not been previously disclosed.

To participate in the live call by telephone from the U.S., dial 877-930-5791, or from outside the U.S., dial 253-336-7286, and enter the audience pass code 606-0513.

A live webcast of the call can be accessed on the Investor Relations section of the Quidel website (<http://ir.quidel.com>). The website replay will be available for 14 days. The telephone replay will be available for 48 hours beginning at 8:00 p.m. Eastern Time (5:00 p.m. Pacific Time) on April 24, 2017 by dialing 855-859-2056 from the U.S., or by dialing 404-537-3406 for international callers, and entering pass code 606-0513.

About Quidel Corporation

Quidel Corporation serves to enhance the health and wellbeing of people around the globe through the development of diagnostic solutions that can lead to improved patient outcomes and provide economic benefits to the healthcare system. Marketed under the Sofia®, QuickVue®, D3® Direct Detection and Thyretain® leading brand names, as well as under the new Solana®, AmpliVue®, and Lyra® molecular brands, Quidel's products aid in the detection and diagnosis of many critical diseases and conditions, including, among others, [influenza](#), [respiratory syncytial virus](#), Strep A, herpes, pregnancy, [thyroid disease](#) and [fecal occult blood](#).
