## Our Approach

Aritzia means style, not trend, and quality over everything. We treat each in-house label as its own atelier, united by premium fabrics, meticulous construction and an of-the-moment point of view. We handpick fabrics from the world's best mills for their feel, function and ability to last. We obsess over proportion, fit and that just-right silhouette. From hand-painted prints to the art of pocket placement, our innovative design studio considers and reconsiders each detail to create essentials you'll reach for again, and again, and again.
