

NEWS RELEASE

## Burcon CEO to Participate at Protein Industries Canada Annual Conference and General Meeting

2024-09-11

Vancouver, British Columbia--(Newsfile Corp. - September 11, 2024) - Burcon NutraScience Corporation (TSX: BU) (OTCQB: BRCNF) ("Burcon" or the "Company"), a global technology leader in the development of plant-based proteins for foods and beverages, is pleased to announce that its chief executive officer, Kip Underwood, will be a panelist at this year's Protein Industries Canada Annual Conference and General Meeting on September 11th, 2024.

Mr. Underwood, along with other industry experts, will join a panel titled Driving Innovative IP in Canada's Competitive Landscape. Moderated by Protein Industries Canada's Director of Data and Intellectual Property, Jennifer Jannuska, the panel will explore topics such as capturing the value of innovation, fostering legal clarity in collaboration and finding pathways beyond Canada's borders.

"Intellectual property is the foundation of Burcon's new-to-the-world protein technologies, and we are excited to share our insights and expertise at this year's Protein Industries Canada conference." said Kip Underwood, Burcon's CEO.

The Protein Industries Canada Annual Conference and General Meeting is a two-day event that brings together industry leaders and innovators from across Canada. This year's conference, themed "Progress and Prosperity," will feature a dynamic lineup of speakers and panels sharing insights into the future of value-added agriculture.

### About Burcon NutraScience Corporation

Burcon is a global technology leader in the development of plant-based proteins for foods and beverages. Our proteins exhibit superior functionality, taste and nutrition, making them ideal ingredients for food formulators.

With over two decades of experience, Burcon has amassed an extensive patent portfolio covering its novel plant-based proteins derived from pea, canola, soy, hemp and sunflower seeds, among other plant sources. Burcon is committed to delivering next-generation, best-in-class protein solutions, positioning itself as a key player in the rapidly expanding plant-based market. Supporting the growing trend towards a plant-based diet, Burcon offers sustainable protein ingredients that we believe are better for you and better for the planet. #### Forward-Looking Information Cautionary Statement

The TSX has not reviewed and does not accept responsibility for the adequacy of the content of the information contained herein. This press release contains forward-looking statements or forward-looking information within the meaning of the U.S. Private Securities Litigation Reform Act of 1995 and applicable Canadian securities legislation. Forward-looking statements or forward-looking information involve risks, uncertainties and other factors that could cause actual results, performances, prospects and opportunities to differ materially from those expressed or implied by such forward-looking statements. Forward-looking statements or forward-looking information can be identified by words such as "anticipate," "aim", "intend," "plan," "goal," "project," "estimate," "expect," "believe," "future," "likely," "may," "should," "could," "will" and similar references to future periods. All statements included in this release, other than statements of historical fact, are forward-looking statements. There can be no assurance that such statements will prove to be accurate, and actual results and future events could differ materially from those anticipated in such statements or information. Important factors that could cause actual results to differ materially from Burcon's plans and expectations include the implementation of our business model and growth strategies; trends and competition in our industry our future business development, financial condition and results of operations and our ability to obtain financing cost-effectively; potential changes of government regulations; and other risks and factors detailed herein and from time to time in the filings made by Burcon with securities regulators and stock exchanges, including in the section entitled "Risk Factors" in Burcon's annual information form for the year ended March 31, 2024 and its other public filings with Canadian securities regulators on SEDAR+ at [www.sedarplus.ca](http://www.sedarplus.ca). This list is not exhaustive of the factors that may affect any of the Company's forward-looking statements or information. Any forward-looking statement or information speaks only as of the date on which it was made, and, except as may be required by applicable securities laws, Burcon disclaims any intent or obligation to update any forward-looking statement, whether as a result of new information, future events or otherwise. Although Burcon believes the assumptions inherent in the forward-looking statements are reasonable, forward-looking statements are not guarantees of future performance, and, accordingly, investors should not rely on such statements.
