Versa outpaces expectations of affordable compact sedans with the most standard safety technologies in its class¹, which include class-exclusive **Nissan Safety Shield® 360** technologies⁶.

Standard features include Automatic Emergency Braking with Pedestrian Detection, Lane Departure Warning, Rear Automatic Braking and High Beam Assist. Available technologies include Blind Spot Warning and Rear Cross Traffic Alert. Further, available class-exclusive Intelligent Cruise Control⁷ makes highway driving more convenient.

Versa was **refreshed for the 2023 model year** with a redesigned front fascia and grille, a new 17-inch alloy wheel design on Versa SR and a new available Gray Sky Pearl paint color – plus the addition of a new S Plus package that added value with the inclusion of Apple CarPlay® and Android Auto™ connectivity.
