## EarthTronics Introduces Linkable Shop Light to Provide High-Efficiency Task Lighting

2024-09-11

Easy to install, linkable 45-inch LED Shop Lighting delivers 5000 lumens for work area lighting

NORTON SHORES, Mich.--(BUSINESS WIRE)-- EarthTronics, dedicated to developing innovative energy-saving lighting products that provide a positive economic and environmental impact, introduces its new 45-inch linkable Shop Light that is designed to offer highly efficient and effective task lighting to provide sufficient illumination for optimum productivity. With its linkable function, up to four fixtures can be connected to fit a multitude of spaces.

Developed for use in garages, basements, workbenches, utility rooms and general work areas, the 50-watt, white LED Shop Light fixture delivers 5000 lumens of 4000K natural white light with a high 80+ CRI for excellent visual acuity. It offers simple, easy installation with included hook and hanging chain hardware and a 5' 2" power cord.

EarthTronics LED Shop Light is ETL, RoHS and FCC approved. Its housing is made of impact-resistant UV-stable plastic for long-term performance. It will operate in temperatures ranging from -4°F to 122°F with a rated performance life of 50,000 hours. Operates on 120 Volt AC power.
