

# Final Bell Holdings International Announces Filing of 2024 Audited Consolidated Financial Statements and Related Materials

2024-09-11

VANCOUVER, BC / ACCESSWIRE / September 11, 2024 / **Final Bell Holdings International Ltd.** (the "Company") is pleased to announce that it has filed on SEDAR+, its annual audited financial statements for the fiscal year ending on March 31, 2024, as well as the related management's discussion and analysis and other materials (collectively, the "Annual Financial Materials"). With the filing of the Annual Financial Materials, the Company has contacted its principal regulator, the British Columbia Securities Commission, to have the Cease Trade Order of August 12, 2024 (the "CTO") lifted, which order ceased trading in the securities of the Company. All of the Company's securities remain subject to the CTO until it is fully revoked.

The CTO was issued due to a delay in filing the Annual Financial Materials, which resulted from the short timeframe to complete the 2024 audit soon after the completion of the 2023 audit.

The Company has also filed the unaudited interim consolidated financial statements and related materials for the first quarter of fiscal year 2025.
