Inspira Health Unveils Inspira Medical Center Mannington

10/2/2023

The integration of Salem Medical Center, an affiliate of Inspira Health is now complete, marking the health system's expansion with a fourth hospital in South Jersey by rebranding as IMC Mannington

SALEM, N.J.--(BUSINESS WIRE)-- **Inspira Health** announced that the integration Salem Medical Center, an affiliate of Inspira Health, into the health system is complete, as of October 1. The hospital has been rebranded as Inspira Medical Center (IMC) Mannington, effective immediately. Services at IMC Mannington include Bariatric; Behavioral and Mental Health; Cardiology; Emergency; Gastroenterology; Orthopedics; Surgical Services; Urology; and Wound Care.

"The finalization of this integration marks a significant milestone for our entire health system and community as Inspira Medical Center Mannington officially becomes part of the Inspira Health family," said Amy Mansue, President and Chief Executive Officer at Inspira Health. "Our combined expertise and dedication will enable us to deliver high-quality patient care and empower healthier communities as one collective team."

For more than 70 years, Inspira has been steadfast in its commitment to providing safe, high-quality care to the residents of Salem County. IMC Mannington represents a seamless extension of this legacy, dedicated to offering the latest medical innovation and evidence-based care that helps each patient achieve the best possible health outcome.

"This integration stands firmly on the pillars of our shared mission, vision and values," said Lydia Stockman, RN, MHA, FACHE, Senior Vice President and Chief Administrative Officer, Inspira Medical Centers. "Last December, we began the integration of Salem into our health system and over that time, we've gained a better understanding of

the needs of the staff at Salem and the community in which they serve. With this transition, our medical staff and health care practitioners are equipped to enhance the quality, safety and patient experience to all those we serve."

"With Inspira Medical Center Mannington, we stand on the threshold of an exciting new era of health care in the region," said Warren E. Moore, FACHE, Executive Vice President, Chief Operating Officer at Inspira Health. "Together, we will redefine the standard of excellence in health care delivery for our neighbors today and for generations to come."

About Inspira Health

Inspira Health is a charitable nonprofit health care organization and a regional leader in physician training, with approximately 277 medical residents and fellows in 15 nationally accredited programs at its hospitals in Elmer, Mullica Hill and Vineland.

The system traces its roots to 1899 and comprises four medical centers, two comprehensive cancer centers, eight multi-specialty health centers, and locations throughout South Jersey. These include urgent care; outpatient imaging and rehabilitation; sleep medicine labs; cardiac testing facilities; behavioral health, digestive health and wound care centers; home care and hospice; and more than 35 primary and specialty physician practices in Gloucester, Cumberland, Salem, Camden and Atlantic counties. Additionally, Inspira EMS services six South Jersey counties.

Inspira's 1,200-member medical staff and more than 7,000 employees provide an unwavering commitment to delivering a superior patient experience at every point of the journey. Technology and innovation investments provide a robust provider directory and a range of services, including online scheduling and virtual visits for both primary and specialty care providers. With a commitment to multi-channel digital access, Inspira is able to meet consumer demand for self-service and personalized care options.

Accredited by DNV Healthcare and committed to the principles of high reliability, Inspira Health is focused on clinical excellence and patient safety. For more information about Inspira Health, visit
