IRVINE, CA, and HERSTAL, BELGIUM – September 25, 2024 (**GlobeNewswire**) – MDxHealth SA (NASDAQ: MDXH) (“mdxhealth” or the “Company”), a commercial-stage precision diagnostics company, today announced that it has priced a registered public offering of 20,000,000 ordinary shares of the Company without nominal value (“Ordinary Shares”) in a registered public offering (the “Offering”) at a price to the public of \$2.00 per Ordinary Share for total gross proceeds of \$40.0 million before deducting commissions and estimated offering expenses. A strategic partner is purchasing 1,500,000 Ordinary Shares in this Offering directly from the Company rather than through the underwriters. In connection with the Offering, mdxhealth has granted the underwriters an option to purchase up to an additional 2,775,000 Ordinary Shares, on the same terms and conditions.

The closing of the Offering is expected to occur on September 27, 2024, subject to the satisfaction of customary closing conditions. The new Ordinary Shares will have the same rights and benefits as, and rank pari passu in all respects, including as to entitlement to dividends and distributions, with, the Company’s existing and outstanding Ordinary Shares and will be entitled to distributions in respect of which the relevant record date or due date falls on or after the date of issue of the new shares.

Mdxhealth intends to use the net proceeds from the Offering for general corporate and working capital purposes, including to fund product development efforts and commercial activities.

TD Cowen and William Blair are acting as joint book-running managers and BTIG, LLC and Lake Street Capital Markets are acting as passive bookrunners for the Offering.

The Ordinary Shares described above are being offered by mdxhealth pursuant to a registration statement previously filed with and subsequently declared effective by the Securities and Exchange Commission ("SEC"). A preliminary prospectus supplement relating to the Offering has been filed with the SEC and is available on the SEC's website at <http://www.sec.gov>.
