“Our research consistently shows that comfort and energy efficiency are key needs for homeowners,” said Jennifer

Renaud, Chief Marketing Officer. “The Masonite Performance Door System is an innovative solution that meets those needs by keeping the outside ‘out’ and the inside ‘in.’ We’re proud that these Doors That Do More™ are now available in retail for homeowners, contractors and builders across the U.S. and Canada.”

The Masonite Performance Door System’s industry-leading 4-Point Performance Seal features a Masonite square edge door, patented self-adjusting sill, adaptive weatherstripping, enhanced corner pads, and a rot-resistant frame to provide unmatched protection against air and water penetration. The system is backed by a 10-year limited full replacement warranty and is available with all Masonite exterior fiberglass doors. Customers can choose from a wide variety of colors, styles, and finishes, including multiple glass options, to perfectly complement any home design.

MSRP for the complete door system starts at \$849 US.
