PROPOSAL FOR RESOLUTIONS

Item 7 - Proposal for a decision to amend the articles of association (number 1)

The board of directors proposes that the limits regarding the share capital in the articles of association are amended as follows:

Current wording	Proposed wording
§ 4 Aktiekapital / Share capital Aktiekapitalet ska vara lägst 105 400 000 kronor och högst 421 600 000 kronor The share capital shall be not less than SEK 105,400,000 and not more than SEK 421,600,000.	§ 4 Aktiekapital / Share capital Aktiekapitalet ska vara lägst 86 436 000 kronor och högst 345 744 000 kronor. The share capital shall be not less than SEK 86,436,000 and not more than SEK 345,744,000.

The resolution under this item is subject to and conditional upon the general meeting also resolving on item 8 on the agenda.

Item 8 - Proposal for a decision to reduce the share capital without cancellation of shares for allocation to non-restricted equity (number 1)

The board of directors proposes that the meeting resolves to reduce the Company's share capital by SEK 19,180,647.6 for allocation to non-restricted equity and without cancellation of shares. Following the reduction, the Company's share capital will amount to SEK 87,563,826 divided into 20,848,530 shares (before registration of the rights issue resolved in July 2024 (the 'Rights Issue')), each share with a quota value of SEK 4.2.

The decision to reduce the share capital can be implemented without obtaining the authorisation of the Swedish Companies Registration Office since the reduction, taking into account the Rights Issue, will not reduce the Company's restricted equity or its share capital.

The board of directors' report pursuant to Chapter 20, Section 13, fourth paragraph of the Swedish Companies Act.

Since neither the share capital nor the restricted capital will decrease, the Company may implement the reduction decision without authorisation from the Swedish Companies Registration Office or a general court.

The resolution under this item requires and is conditional upon the general meeting on item 7 on the agenda.

Item 9 - Proposal for a decision to amend the articles of association (number 2)

The board of directors proposes that the limits regarding the share capital in the articles of association are amended as follows:

Current wording	Proposed wording
§ 4 Aktiekapital / Share capital Aktiekapitalet ska vara lägst 86 436 000 kronor och högst 345 744 000 kronor. The share capital shall be not less than SEK 86,436,000 and not more than SEK 345,744,000.	§ 4 Aktiekapital / Share capital Aktiekapitalet ska vara lägst 25 000 000 kronor och högst 100 000 000 kronor. The share capital shall be not less than SEK 25,000,000 and not more than SEK 100,000,000.

The resolution under this item is subject to and conditional upon the general meeting also resolving on item 7, 8 and 10 on the agenda.

Item 10 - Proposal for a decision to reduce the share capital without cancellation of shares for allocation to non-restricted equity (number 2)

The board of directors proposes that the meeting resolves on a reduction of the Company's share capital by a maximum of SEK 83,197,755.4 for allocation to non-restricted equity. The reduction shall be carried out without cancellation of shares and to such extent within the framework of the maximum reduction amount that the quota value of the share changes to SEK 1.00 per share.

In order for the share capital reduction to be carried out to the maximum reduction amount of SEK 83,197,755.4 requires registration of the Rights Issue and the following directed share issue.

The reduction is carried out in order to increase the Company's flexibility in the utilisation of the Company's working capital and to create an appropriate quota value for the Company's share. After the reduction, the quota value of the Company's share is intended to amount to SEK 1.00 per share.

The decision to reduce the Company's share capital in accordance with this proposal requires authorisation from the Swedish Companies Registration Office or a general court. The Company intends to notify the resolution under

this item for registration. Provided that the required authorisation is obtained, the reduction resolution is expected to be executed in January 2025.

The resolution under this item is subject to and conditional upon the general meeting also resolving on item 7, 8 and 9 on the agenda.

Item 11 - Resolution to authorise the board of directors to make minor adjustments to the resolutions

The board of directors proposes that the general meeting authorises the board of directors, the managing director or any other person appointed by the board of directors to make such minor adjustments and clarifications to the resolutions adopted by the general meeting as are necessary for the registration of the resolutions.
