OKX Launches 'Trade and Earn HMSTR' Campaign with 80,000,000 HMSTR Reward Pool

2024-09-11

NASSAU, The Bahamas, Sept. 11, 2024 (GLOBE NEWSWIRE) -- **OKX**, a global Web3 technology company, has issued updates for September 11, 2024.

OKX Launches 'Trade and Earn HMSTR' Campaign with 80,000,000 HMSTR Reward Pool

OKX today announced the launch of its '**Trade and Earn HMSTR campaign**', offering eligible participants the opportunity to claim a share in a 80,000,000 HMSTR reward pool.

The campaign, which runs from September 11 to October 4, is divided into two parts:

- Exclusive New User Promotion: New users have the opportunity to claim a share of a 65,000,000 HMSTR prize pool by making a net deposit of at least 100 USDT and trading at least 100 USDT worth of HMSTR
- All Users Promotion: Both new and existing users can participate to claim a share of a 15,000,000 HMSTR prize pool by trading at least 300 USDT worth of HMSTR

OKX recently announced that it will be one of the first exchanges to list Telegram mini-app game Hamster Kombat's HMSTR token on its spot market - with the listing slated to take place on September 26. Leading up to and following the spot listing, several HMSTR-related campaigns will be launched and accessible via [**this HMSTR countdown page**](#); these campaigns aim to boost user engagement and participation in the Hamster Kombat ecosystem.

Hamster Kombat is an innovative blockchain-based game where players manage virtual crypto exchanges operated by cute hamsters. The HMSTR token serves as the primary in-game currency, fueling various aspects of Hamster Kombat's gameplay and economy.

About OKX

OKX is a technology company with a mission to organize the world's blockchains and make them more accessible and useful.

We want to create a future that makes our world more efficient, transparent and connected.

OKX began as a crypto exchange giving millions of people access to trading and over time became among the largest platforms in the world. In recent years, we have developed one of the most connected onchain wallets used by millions to access decentralized applications (dApps).

OKX is a brand trusted by hundreds of large institutions seeking access to crypto markets on a reliable platform that seamlessly connects with global banking and payments.

OKX is committed to transparency and security, and publishes its **Proof of Reserves** monthly to build trust. OKX also regularly publishes educational articles, accessible via **OKX Learn**. These articles provide readers with in-depth analyses of **all cryptocurrencies**, including factors influencing **Bitcoin prices** and **Ethereum prices**.

Our most well-known products include: The OKX Exchange, OKX Wallet, OKX Marketplace, OKX Explorer, OKX Chain and OS for developers, OKX Ventures and OKX Institutional Services. To learn more about OKX, download our app or visit: okx.com
