## PowerSchool Celebrates Recognition from 2023 Globee® Awards for Leadership and Tech & Learning's Awards of Excellence: Back to School 2023

9/29/2023

Hardeep Gulati awarded Gold Globee® Winner in the 2023 Globee® Awards for Leadership; PowerSchool and PeopleAdmin recognized in Tech & Learning Awards of Excellence 2023

FOLSOM, Calif.--(BUSINESS WIRE)-- **PowerSchool** (NYSE: PWSC), the leading provider of cloud-based software for K-12 education in North America, announced today recognition from The Globee® Awards and Tech & Learning for outstanding leadership and helping schools solve challenges and support continuous instruction. Hardeep Gulati, CEO of PowerSchool, was recognized in the 11th Annual 2023 Globee® Awards for Leadership as the Gold Globee® Winner in the CEO Achiever | Leader of the Year and CEO of the Year | Cloud Computing, SaaS, or Internet categories. PowerSchool Naviance CCLR was recognized in the Secondary category for Tech & Learning's Awards of Excellence: Back to School 2023, and PeopleAdmin, a PowerSchool company, was recognized in the Higher Education category for the Faculty Information System.

"We're proud to be recognized by The Globee® Awards and Tech & Learning as we work to empower educators, administrators, and families to help students learn in a way that's right for them," said Hardeep Gulati, CEO of PowerSchool. "This honor is a testament to our whole team's commitment to providing solutions that address the critical needs of districts today, and I'm personally grateful to be recognized amongst these esteemed tech leaders worldwide."

The Globee® Awards commemorate leaders' exceptional accomplishments, visionary strategies, and the teams behind the year's most commendable initiatives. The award recognizes executives and their teams for outstanding leadership and management skills. Participation spans all types of organizations globally, underscoring its inclusive

nature. The President of Globee® Awards, San Madan, congratulated the 11th Annual 2023 Globee® Awards for Leadership winners. She praised their exceptional achievements and unwavering commitment to excellence, which have set new benchmarks in the industry.

Tech & Learning's Awards of Excellence program, "The Best Tools for Back to School," is an annual program celebrating educational technology that exceptionally supports teachers and students in K-12 and higher education settings. The Back to School Awards recognize products that offer schools versatility, value, and solutions to specific problems to support innovative, effective teaching and learning. Judges recognized Naviance CCLR for its ability to help reduce student stress and increase accessibility during post-secondary planning. PeopleAdmin's Faculty Information System was recognized for bringing smoother and more accurate processes and thoughtful course evaluations to colleges and universities.
