2024-09-26

SINGAPORE, Sept. 26, 2024 (GLOBE NEWSWIRE) -- TOKEN2049 Singapore kicked off in full swing at the iconic Marina Bay Sands in Singapore. Just 3 minutes walk away from the TOKEN 2049 event venue. Attendees relished complimentary beverages and engaged in networking. Among them were influential figures poised to shape the destiny of multibillion-dollar ventures.

What unfolded was the Crypto Millionaire Gala orchestrated by **WEEEX**, an event where influencers, blockchain entrepreneurs, and crypto enthusiasts like ⊕ Cyphereus Prime, Crypto Banter and Chittancoin came together to forge connections and network and explore wealth-building opportunities in 2024. WEEEX served as a platform linking different resources, showcasing its growing reputation as a rising star in the crypto world.

### Celebrating WEEEX's Impressive Journey

"At WEEEX, the slogan 'Where new wealth is made' is not just words – it is exactly what WEEEX is doing," said Andrew Weine, WEEEX's VP, during the gala. Since WEEEX's birth in 2018, which was a significant year of bear market, WEEEX has made significant progress.

By 2022, the daily trading volumes of WEEEX reached \$5 billion, serving over 500,000 users globally, registering a monthly growth rate of 100%, and securing critical licenses, including U.S. MSB License, SVG FSA License and Canada MSB License.

Today, WEEEX safeguards 5 million portfolios, offers 400+ futures trading pairs, and has grown exponentially during tough market conditions. 88% of the population of the world are now able to use WEEEX's platform to make financial opportunities accessible to all.

## What Strives the Growth of WEEEX?

WEEEX's rise in six years is due to various factors, especially its platform token, WXT, which transforms traditional trading.

**WXT** not only reduces trading fees but also includes the Protection Fund, Team Incentives, Brand Promotion, Partner Ecosystem Fund, and User Acquisition Campaign.

Holders of WXT enjoy perks like free airdrops on **WE-Launch** with an impressive 88.71% APY. Holding WXT unlocks benefits such as 0% futures trading fees and increased profit sharing. WEEEX ensures WXT's value through regular buybacks and burns, reflecting our commitment to transparency and sustainable growth.

## Fostering Innovation through Partnerships

At WEEEX, it's more than just an exchange; it's about fostering innovation and growth for partners. Strategic partnerships are vital in advancing the mission.
