Ryder Recognized for Leadership in Environmental Performance by U.S. EPA SmartWay®

10/2/2023

Company Ranked as "High Performer," Among Top 2% of All SmartWay Truck Carriers

MIAMI--(BUSINESS WIRE)-- **Ryder System, Inc.** (NYSE: R), a leader in **supply chain, dedicated transportation, and fleet management** solutions, has been honored with a SmartWay® "High Performer" recognition in the "All Metrics" and "Carbon Metrics" categories from the U.S. Environmental Protection Agency (EPA). The SmartWay "High Performer" recognition in "All Metrics" category is reserved for the top 2% of all SmartWay truck carriers that focus on reducing carbon, particulate matter, or nitrogen oxide for every mile traveled and for every ton of freight moved. For the "Carbon Metrics" category, Ryder ranks within the top 10% of all "High Performers" for consuming less fuel for every mile traveled and for every ton of freight moved.

Ryder recognized for leadership and environmental performance by U.S. EPA SmartWay as company is ranked as "High Performer," among the top 2% of all SmartWay Truck Carriers.

"Ryder strives to enhance our leadership in freight supply chain environmental performance and energy

efficiency," says Steve W. Martin, senior vice president of Ryder's dedicated transportation solutions business. "Our environmental programs reflect our commitment to conserve resources and associated costs, while investing in our buildings, fleet, and emerging technology to enhance operational efficiencies."

Ryder ranks within the top 2% amongst thousands of SmartWay truck carriers. SmartWay partners, including shippers, truck carriers, and logistics service providers, report efficiency and air quality performance data to EPA annually, and the EPA aggregates and divides the data, assigning performance ratings. SmartWay "High Performers" are partners whose efficiency and/or air quality performance falls within the top-ranked performance range.

Ryder has been a SmartWay partner since 2006 and supports customers with a series of coordinated measures to reduce their carbon footprint and emissions to SmartWay standards. The company has been honored with SmartWay Excellence Awards in 2013, 2014, 2017, and 2021; the SmartWay Affiliate Challenge Award in 2014; and recognized as a SmartWay “High Performer” in 2020.

Ryder remains focused on reducing our environmental footprint through efficiency and innovation. Information about Ryder’s environmental, social, and governance initiatives can be found at www.ryder.com/sustainability.
