Second Annual Haul for Hope Plane Pull Will Take Off at Billy Bishop Toronto City Airport September 28

2024-09-26

TORONTO, Sept. 26, 2024 /CNW/ - On Saturday, September 28, 2024, representatives from Hope Air, Porter Airlines, Billy Bishop Toronto City Airport and 18 participating teams will gather at Billy Bishop Toronto City Airport to race against the clock and pull a Porter Airlines Dash-8 Q400 aircraft for 100 metres as part of the second annual Haul for Hope Plane Pull in support of Hope Air.

WHAT: The Haul for Hope plane pull is a unique event in which teams of up to 10 people will come together to pull a 67,000 lb Porter Airlines aircraft 100 metres. This symbolic challenge reflects the journey that Hope Air patients face as they overcome geographical barriers to access essential medical care. The event serves as a reminder of the importance of community support in bridging the gap between home and hospital. [Learn more **here**](#).

About Hope Air

Hope Air is Canada's only national charity providing free travel, accommodations, meals and ground transportation for Canadians in financial need who must access medical care far from home. Since its inception in 1986, Hope Air has provided more than 200,000 travel arrangements for patients regardless of age or medical need. For people living on a low income in small and rural communities, distance and cost are very real barriers to them accessing vital medical care. Hope Air is a unique and essential part of our Canadian healthcare system. Without the access Hope Air provides, our national system of universal healthcare coverage would fall short of its promise. Hope Air is accredited by Imagine Canada's Standards. This accreditation validates our commitment to good governance and transparency. For more information, visit hopeair.ca.
