

# SecurityWeek to Host 2023 ICS Cybersecurity Conference October 24-27 in Atlanta

10/5/2023

Flagship cybersecurity event will bring together hundreds of industrial and critical infrastructure cybersecurity stakeholders.

BOSTON--(BUSINESS WIRE)-- SecurityWeek will host its **2023 Industrial Control Systems (ICS) Cybersecurity Conference** from October 23 – 26, 2023 at the InterContinental Atlanta Buckhead.

Now in its 22nd year, the conference is the foremost and longest-running cybersecurity event for industrial control systems and operational technology (OT).

The 2023 agenda includes more than **75 conference sessions** and three optional full day training classes and cyber defense exercises, including:

- **Applied ICS Security Training Lab**
- ICS/OT Cybersecurity Incident Preparedness & Response Workshop
- Industrial Cybersecurity Launchpad – Free for conference attendees!
- **ICS4ICS** Exercise

The conference will address ICS/SCADA topics, including protection for SCADA systems, plant control systems, engineering workstations, substation equipment, programmable logic controllers (PLCs), and other field control system devices.

Conference sessions will include both technical and strategy sessions, along with advanced ICS cybersecurity research from national labs, world-renowned researchers, and numerous OT asset owners from large

organizations.

Sponsors include Palo Alto Networks (NASDAQ: PANW), Fortinet (NASDAQ: FTNT), Cisco (NASDAQ: CSCO), OTORIO, Packet Viper, Radiflow, Tenable (NASDAQ: TENB), Verve, Nozomi Networks, TXOne Networks, Airgap Networks, Industrial Defender, Phosphorus Cybersecurity, Hexagon, Siemens, Finite State, Waterfall Security, Armis, OWL Cyber Defense, Hexagon, OT-BASE, Kudelski Security, Cyolo, ARIA Cybersecurity Solutions, Orange Cyberdefense, Dataminr, Microwave Networks and Keysight (NYSE: KEYS).

**Online registration** is open for the conference and training sessions.

**Location:** InterContinental Atlanta Buckhead

**Dates:** October 23 – 26, 2026

**Social Media:** #ICSCC23, Twitter: @SecurityWeek
