Cautionary Note Regarding Forward-Looking Statements

This document and the presentation at the conference may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, which are based on management's current beliefs and expectations and are subject to substantial risks and uncertainties, both known and unknown, that could cause our future results, performance or achievements to differ significantly from that expressed or implied by such forward-looking statements. Important factors that could cause or contribute to such differences include risks relating to: our ability to successfully compete in the marketplace including our ability to successfully execute our Pivot to Growth strategy, including to expand our innovative and biosimilar medicines pipeline and profitably commercialize the innovative medicines and biosimilar portfolio, whether organically or through business development, and to sustain and focus our portfolio of generics medicines; our substantial indebtedness; our business and operations in general including the impact of global economic conditions and other macroeconomic developments and the governmental and societal responses thereto; compliance, regulatory and litigation matters; other financial and economic risks; and other factors discussed in our Quarterly Report on Form 10-Q for the second quarter of 2024 and in our Annual Report on Form 10-K for the year ended December 31, 2023, including in the sections captioned "Risk Factors." Forward-looking statements speak only as of the date on which they are made, and we assume no obligation to update or revise any forward-looking statements or other information contained herein, whether as a result of new information, future events or otherwise. You are cautioned not to put undue reliance on these forward-looking statements.
