Alarm.com is the Official Smart Home Security Provider of the Washington Capitals

The leading provider of Smart Home technology becomes the official Smart Home Security partner of its hometown team.

WASHINGTON, DC and VIENNA, VA – February 12, 2015 - Monumental Sports & Entertainment and Alarm.com, the leading technology platform powering the smart home, today announced that Alarm.com is the official Smart Home Security partner of the Washington Capitals.

Alarm.com's Smart Home technology is used by millions of homeowners to make their homes safer, smarter and more efficient. Caps fans and homeowners everywhere can control and manage nearly every aspect of their home through a single, intuitive mobile app.

"We pride ourselves on being a tech-forward organization and partnering with the leading provider of Smart Home technology is a great fit for us," said Patrick Duffy, vice president of corporate partnerships at Monumental Sports & Entertainment.

"Alarm.com is excited to be the official Smart Home Security partner of the Washington Capitals," said Jay Kenny, Vice President of Marketing at Alarm.com. "Along with our network of service providers, Alarm.com delivers a comprehensive Smart Home Security solution complete with an intuitive mobile app, professional monitoring and installation to make upgrading any home to a smart home simple. As a local company, it's great to support our hometown Washington Capitals and their passionate fans."

Smart Home Security powered by Alarm.com helps protect your home and keeps you aware of what's happening in and around your property, so you can cheer the Caps to another win without worrying about things at home. Alarm.com's flexible solution is easy to personalize and offers HD video cameras, award-winning energy management solutions, and a wide range of convenient home automation options for devices throughout the home, such as lights, locks, thermostats and garage doors.

Alarm.com's solutions are available through a nationwide network of authorized service providers who are Smart Home Security experts. They will help you understand all your options, install the system and provide professional monitoring with emergency response and ongoing support. You can find the local Alarm.com service providers in your area by visiting Alarm.com/caps, today.

About Alarm.com Alarm.com was founded in 2000 and today is the leading technology platform powering the Smart Home with more than 2 million residential and commercial installations. Through its cloud services platform, millions of people use Alarm.com to help protect and manage the things that matter most – their homes, families, and small businesses. Alarm.com connects a wide range of supported devices across the internet of things to provide an integrated smart home experience through intelligent cloud-based services and an easy to use mobile app. Alarm.com solutions are available exclusively through a network of licensed and authorized Service Providers. About Monumental Sports & Entertainment

Monumental Sports & Entertainment is one of the largest integrated sports and entertainment companies in the country with one of the most diverse partnership groups in all of sports. MSE owns and operates three professional sports teams: the NBA's Washington Wizards, NHL's Washington Capitals and WNBA's Washington Mystics. The group also owns and operates Verizon Center, the premier sports and entertainment venue in Washington, D.C. Monumental Sports & Entertainment also oversees the management of Kettler Capitals Iceplex, the state-of-the-art training facility for the Capitals and George Mason University's Patriot Center. In January 2013 Monumental Sports & Entertainment launched Monumental Network, a digital platform that serves as the hub for the region's sports and entertainment news. Visit MonumentalSports.com for more information.
