

Apex Systems Mexico Recognized as a Best Place to Work 2025

2025-06-10

Nearshore Delivery Center provides clients with top-tier IT talent and solutions

RICHMOND, Va.--(BUSINESS WIRE)-- Apex Systems, a leading global technology services firm and ASGN brand (NYSE: ASGN), is excited to share that its Mexico Delivery Center (MDC) has earned recognition as one of the Best Places to Work™ in Mexico for 2025. Great Place to Work® (GPTW®), the global authority on organizational culture, awarded the recognition based on employee survey results.

Great Place to Work® Survey Results

The Best Places to Work™ in Mexico list features organizations that have demonstrated exceptional commitment to creating positive work environments. Among organizations on the Best Places to Work™ in Mexico list, 91% of employees say their workplace is excellent and that their leaders conduct business ethically and honestly.

"Our Mexico Delivery Center is a shining example of our Company's commitment to delivering exceptional value to our clients," says James Boucher, Chief Solutions Officer at Apex Systems. "Our team has built best-in-class culture and made the MDC a place where technologists want to work. Earning this recognition for the third consecutive year is a testament to our team's incredible talent and their consistent efforts to foster an environment of trust, collaboration, and growth."

The Mexico Delivery Center's Unique Solutions Delivery Model

Apex Systems' MDC operates primarily in Guadalajara and Monterrey, with smaller offices throughout Mexico. The MDC provides a unique delivery model for Fortune 1000 clients seeking skilled multilingual talent to offer leading IT solutions at competitive rates in similar time zones. Solutions delivery teams have the vast resources of professionals based in Mexico and can also leverage Apex Systems' expansive network of consultants in the United States.

The MDC's technical capabilities span a broad spectrum of services, encompassing data engineering and AI, application development, agile/project management, QA automation, support services, and cloud solutions. These comprehensive capabilities underscore Apex Systems' commitment to delivering innovative solutions that empower businesses to thrive in the digital age.

"Our MDC has proven to be a unique nearshore offering that benefits our Company, clients, and employees," said Daniel Guzman, Head of Global Practice and Technical Delivery at Apex Systems. "By integrating our local

expertise with international resources, the MDC provides our clients with cutting-edge solutions through a flexible delivery model that enables them to continue to push forward their long-term IT roadmaps. It's incredibly gratifying to see that not only do our clients achieve success, but our MDC employees also recognize their work as meaningful to their personal and professional growth."
